Treasury To Ask Tax Boosts "All Along Line"

MAN PAYING \$11 ON INCOME MAY BE CHARGED \$72

Morgenthau Drafts Bill That Will Alter All Forms Of Payment

TO BE READ THURSDAY

Increase Of Five Percent On Smaller Corporations Being Considered

WASHINGTON, April 23—The treasury's \$3,500,000,000 tax program is designed both to make the present generation pay the biggest part of the defense bill and to halt rising prices by curbing consumer buying, experts informed House Ways and Means Committee members today.

The new tax program, which would hit every class of taxpayers but boost income taxes more sharply on smaller taxpayers, will be laid before the committee formally by Secretary of the Treasury Morgenthau tomorrow.

"The real purpose of this bill, so we are informed, is to curb buying and thus to prevent inflation," Rep. Gearhart (R) Cal. said.

Under the treasury formula, two-thirds of present cost of government would be paid by taxation. Prices would be held down by heavy taxes on free-spending groups such as defense workers who are now earning big wages.

Bitter conflict over the treasury program was certain, as members called on congressional tax experts for alternative levies.

Colin F. Stam, joint congressional tax expert, submitted a program in opposition to treasury proposals. The Stam program called for lower income taxes on the smaller taxpayers, with rates rising sharply on incomes above \$50,000 annually.

Luxury Goods Hit
The Stam program also was reported to include taxes on private airplanes, yachts, vending machines and other so-called luxury goods untouched in the treasury program.

While Secretary of the Treasury Morgenthau, who will formally submit the treasury's program tomorrow, was said to be considering changes, it was apparent that he would recommend increases all along the line.

The tentative treasury program called for seven-fold increases on some classes of taxpayers. Under this proposal, a married man with a \$2,500 income would pay \$72 tax as compared to \$11 under present law. A man with a \$5,000 income who now pays \$110 would pay \$506; a \$10,000 income would be taxed \$1,628 instead of \$528, while a \$1,000,000 income would pay \$738,086 instead of \$717,584.

Consumption, or excise taxes, included: Cigarettes, \$3.25 to \$4.00 a thousand; 100 percent increase on cigars, tobacco and snuff; liquor \$3.00 to \$4.00 a gallon; beer \$6.00 to \$7.00 a barrel; wines, 16 2/3 percent increase; gasoline 1 1/2 to 2 1/2 cents a gallon; soft drinks, one cent a bottle; automobiles 3 1/2 to 7 percent; checks, two cents each; admissions, tax effective on all admissions over 9 cents; 10 percent

Tooth Ouchy

HOLLYWOOD, April 23—Betty Grable, (above) blonde stage and film actress, was recovering in a Santa Monica Hospital today from the effects of an emergency dental operation. The star had an impacted wisdom tooth which caused her to run a high temperature. The operation was performed to avoid grave complications. It was expected Miss Grable will remain in the hospital for several days.

PACKING FIRM OFFICIAL DIES

John O'Brien, 70, Stricken; Widow, Two Children Surviving

John O'Brien, 70, who helped form the new John Groce and Son Packing Co. in Circleville two and one-half years ago, died Wednesday at 4:30 a. m. in Mount Carmel Hospital, Columbus, where he had undergone two operations during the last week.

Mr. O'Brien, who lived at 144 Watt Street, had gone to Columbus to observe Easter, and became ill when at the home of his daughter, Mrs. Mary O'Brien Cole. He was taken to Mount Carmel Hospital and underwent operations last Wednesday and Friday.

Active in various businesses in Cleveland and New York, Mr. O'Brien had come to Circleville from Columbus where he had been associated with the Columbus Motor Car Co. With Ned Potts, also of Columbus, he organized the company that is now operating the packing business.

Mr. O'Brien was a member of the Catholic Church. Survivors include his widow and two children, Mrs. Cole, and a son, John F., who is a member of the U. S. Army stationed at Randolph Field, Texas.

The funeral will be Friday morning at the Egan-Ryan Funeral Home, Columbus, the hour and additional information to be made available later.

AUSSIES IRKED BY REVERSA LS ON GREEK SOIL

SYDNEY, Australia, April 23—A mounting chorus of press and Laborite parliamentary criticism today followed the British setback in Greece where Australian troops bore the brunt of the savage German assault.

Particular criticism was directed at the strategy of weakening the Anzac forces in Libya by the dispatch of Anzac troops to the fighting front in Greece. The British suffered reverses in both sectors as a result, the Sydney press pointed out.

FAIRFIELD MAN KILLED

LANCASTER, April 23—Charles Arnold, 68, a retired farmer, was killed today when he jumped from a farm wagon into the path of an automobile driven by A. S. McFee, of Lancaster, in U. S. Route 22 near West Rushville. Coroner J. D. Dupler said Arnold died of a skull fracture. The driver was not held.

MAN RELATED HERE KILLED BY ROBBER IN COLUMBUS STORE

Wayne Thompson, a twenty-three-year old Columbus youth, who told Columbus authorities he was born in Circleville, was charged with first degree murder Wednesday in the slaying of Carl Hoover, a Columbus Kroger grocery store manager, whose mother, the former Cora Leist, is a native of Circleville.

Hoover, 33, shot and killed by Thompson, is a nephew of C. O. Leist, Mrs. Ola Stout, H. E. Leist, W. D. Leist, Walter Stout, Orrin Stout and Harold Stout, all of Circleville. He was the father of two small children.

Hoover was shot after the bandit had threatened eight customers and three clerks. Mrs. Bessie Cottrell, one of the clerks, said the bandit shot Hoover without saying a word.

"The man walked up to the cash register and Mr. Hoover saw him," Mrs. Cottrell said. "The man put his hand on the register and Mr. Hoover stepped up beside him, and just as I looked up placed his hand over the bandit's. Without a word, the bandit fired point blank, hitting Mr. Hoover in the chest."

Thompson left cautiously, backing slowly out of the store menacing everyone with a .32 calibre revolver. Hoover staggered out of the store and managed to get to a doctor's office before collapsing. He died later in Grant Hospital.

An hour after Hoover was shot, the manager of another Kroger store reported to police he was robbed of between \$35 and \$40. Following a tip from William Foley, a newspaper police reporter, who spotted Thompson's car, the bandit and a lady friend, Mrs. Adele Hampton, 26, 295 1/2 South High Street, Columbus, were captured when drinking beer in a Columbus establishment.

Thompson told Columbus detectives he had lived in Lancaster, Cincinnati and Detroit. He said he was born in Circleville, but had lived in Columbus most of his life. He was committed to the Boy's Industrial School at Lancaster, for a year, police records showed.

European Bulletins

LONDON—British bombers last night attacked the German naval base at Brest on the French coast, it was announced officially in London today.

NEW YORK—German Stukas and heavy bombers twice attacked the port of Valetta on the island of Malta during the night, severely damaging the navy shipyard and a large destroyer and setting fire to fuel dump, according to a German radio broadcast picked up by CBS today.

BERLIN—King George II of Greece has fled from Athens to the island of Crete, it was understood in Berlin today. There was no official confirmation, however.

BERLIN—Two destroyers and one armed merchantment were sunk out of a British convoy in the Mediterranean, it was announced today. There were no immediate details.

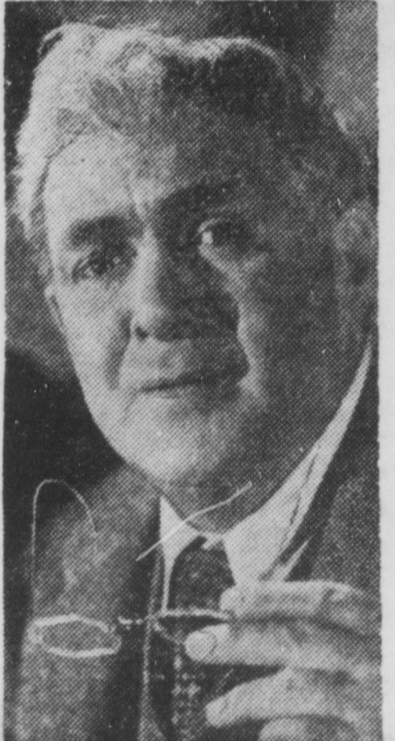

LONDON—A damaging British raid against the Libyan port of Bardia, now held by Italo-German forces, was announced officially in London today.

MR. REID NEEDS LINE!

All Councilman William Reid needs for a fishing expedition is a good line.

Last week some one stole all his fishing tackle except four hooks. Reid published a notice that the hooks were still in his garage for anyone who might want them to fill out the tackle. Wednesday morning, Mr. Reid's back yard yielded two of his fishing poles returned during the night by the thieves. Now the alderman has poles and hooks, but no line.

Actor Injured

HURLED from a buggy as a team of horses bolted during the filming of a scene near Van Nuys, Cal., Thomas Mitchell, above, motion picture actor, was severely injured. Mitchell was portraying the role of Daniel Webster, famed American statesman, in the picture play.

NEW CONTRACT VOTED TO HENRY

Principal Re-Employed; All Others Hired; Defense Classes Approved

Frank Fischer, superintendent of Circleville schools, announced Wednesday that the board of education had employed High School Principal J. Wray Henry for the next two years and that all teachers in the system had been voted new contracts for one year each.

Principal Henry is completing his third year at the high school, each of his previous contracts being for one year.

The board took no action in regard to the superintendent's contract since it does not expire this year.

Employment of teachers includes Coaches Roy M. Black and Tom Armstrong. The board also voted approval of three new National Defense classes, two in welding with Orville Smith as instructor and one in electricity with James P. Moffitt as instructor. The classes, which it is hoped will be able to start next Monday, will replace welding and drafting classes in operation at present. State Department of Education approval is necessary for the starting date.

Many persons have applied for assignment to the new classes.

APING OF HITLER FAILS TO BRING CROWD LAUGHS, CLAIMS VETERAN CLOWN

CHICAGO, April 23—Adolf Hitler isn't funny any more. "No sir," said Earl Shipley, longtime circus clown, today. "Hitler isn't funny any more. Two or three years ago takeoffs on Hitler and the other dictators brought great laughter. Today, mention of Hitler leaves the average audience cold."

"The war has changed other things, too. We have to work harder than ever now to make the grown folk laugh, with everyone so concerned about the war. The kids, of course, are still kids. I guess that's why I like my work."

U. S. BELIEVES JOHN BULL WILL NEVER GIVE UP

Washington Maintains That Britain Will Eventually Be Victorious

PEACE MOVE SCOUTED

High Officials Say F. D. R. Not Considering Another Expeditionary Force

WASHINGTON, April 23—The United States government today is without a definite program to offset a Hitler victory in Europe because it is firmly convinced that the British government will never surrender to the Reich.

This conclusion is based on the highest authority. President Roosevelt and his closest advisers adhere privately to the publicly expressed belief that Britain, with ever-growing aid from the United States, will eventually drive Hitler from power before the war ends.

Highest authority asserts that neither the United States nor Britain will ever negotiate peace with the Reich because they declare Hitler's word, even in a treaty, is worthless.

Current vague rumors in Washington that peace negotiations are about to start or have been started, are ridiculed in authoritative quarters. One of the highest officials in the government who certainly is in a position to know, declared he has never heard of any peace movement. He stated positively that no person representing the United States government had ever sounded out the Hitler government and that he is certain that no representative of the British government had done it either. He reiterated a declaration, frequently made by Mr. Roosevelt and Secretary of State Hull, that "you cannot negotiate with the Nazis."

Last Into 1942

It is the official belief of the United States government that the war will last into 1942, with Britain persevering against great odds, until the mass production methods of American manufacturers can pour a vast stream of guns, shells, planes and tanks into England. It is the official belief (Continued on Page Six)

C. F. STEBBINS, WIDELY KNOWN MUSICIAN, DIES

Charles Frederick Stebbins, 87, husband of the late Frances M. Lilly of Circleville and a musician of note, died Tuesday at 10 p. m. at his home, 150 West Woodruff Avenue, Columbus. Mr. Stebbins was born in Rockville, Conn., January 17, 1854, a son of Charles H. and Aurelia West Stebbins. Mr. Stebbins was married in Circleville April 23, 1879, his wife preceding him in death August 3, 1935. His wife was a sister of Dr. R. F. Lilly of Circleville.

He was a cornet player in the Wittich band and was a tenor singer, being a member of the Methodist Church choir for some years. He was also active in all branches of the Masonic Lodge. Surviving are two daughters, Mrs. H. P. Legg of Columbus and Mrs. J. E. Graves of Dayton, and four grandchildren.

The funeral will be Friday at 2 p. m. at the Albaugh Co. Chapel, Reader H. K. Filler being in charge. Burial will be in Forest Cemetery. Pall bearers will include H. P. Legg, Fred Legg, Eugene F. Kepke, J. E. Graves, Dr. R. F. Lilly and Fred C. Clark.

FREE RIDE FATAL

EAST LIVERPOOL, April 23—The free airplane ride Morgan O. McIntyre, 18, Wellsville High School senior, received Sunday from Pilot Dilly J. Giroux, 23, Gary, Ind., today cost him his life. McIntyre died of injuries suffered when the plane crashed in a wheat field at Glasgow, killing Giroux.

LONDON HEARS REICH SOLDIERS IN ATHENS

Flees Greece

KING George of Greece was reported today to have fled his native land in the face of the German offensive and to have taken up his abode on the island of Crete.

WAR TODAY Flower Of Greek Army Cut Off By Speedy Panzer Units

By Captain John H. Craigie U. S. Marine Corps Retired
Surrender of the gallant Greek armies in Epirus and Macedonia yesterday brought to a disastrous end the combined British-Greek campaign in the Hellenic peninsula against Hitler's mechanized Nazi hordes.

A number of British and Greek divisions and other units are still fighting desperately, but these actions constitute only a military aftermath. The forces that still resist are hopelessly carved up by the slender steel fingers of German Panzer columns. All hope of counter attack is gone. Only question now is how many British and Greek fighters can escape to safety by sea.

With the surrender of the armies of western Greece the entire left flank of the Greek-British position caved in. The stroke that brought the Greek collapse was delivered by a German armored unit that swept from the heights of the southern bank of the Vistula down the valley of the Arta River to Yanina, capital of Epirus, later penetrating to the Greek city of Arta close to the Ionian Sea.

Eight Divisions There
This drive of fifty miles completely cut off the flower of the Greek army that had been fighting the Italians in Albania for the last six months. In this (Continued on Page Six)

NORMAL CHILD IS BORN OF PARALYTIC PARENTS

CLEVELAND, April 23—Donald Frey, 39, cannot step out of his wheelchair, and his pretty wife, Roberta, 29, can walk only with crutches, but today they are the proud mother and father of a baby son born of paralytic parents.

Victims of infantile paralysis, Mr. and Mrs. Frey will take their son—born perfectly normal—to an unusual home they designed themselves in suburban Euclid. There is not a single stairway in the house. Ramps lead to all doors from the outside, and to and from all rooms. All the rooms are reached from a hall five feet wide through the center of the house.

The one room they did not include was a nursery because they did not think they would need one. The den will be converted.

Frey, a jeweler, has been a paralytic since he was 14, his wife since she was 11 months old.

Surrender Of Epirus And Macedonia Armies Breaks Opposition To Mechanized Units; Fate Of British Troops In Doubt

KING REPORTED ON ISLE OF CRETE

Brief Battle At Thermopylae Results In Annihilation Of Empire Forces, Claim Nazis; More Transports Destroyed

BY INTERNATIONAL NEWS SERVICE
Heroic Greek resistance crumbled today before the mighty onslaughts of the mechanized Nazi army and its swarms of bombing planes.

Communication with Athens was cut off soon after reports reached the world that King George and his government had fled the Greek capital to the island of Crete.

Surrender of the Greek armies in the Epirus and Macedonia, announced in both Berlin and Rome, apparently broke the back of Greek resistance.

There was no immediate knowledge of the fate of the British troops fighting in Greece. Berlin claimed that those which were not annihilated or captured on the Greek mainland were lost with their evacuation ships under a rain of bombs from Nazi planes.

London, chagrined by the newest British debacle, heard reports that a German occupational force may have already seized Athens and its communication system.

A Swiss radio broadcast telling of the flight of King George of Greece was followed by the reading of his proclamation in which the Grecian monarch announced a decision to continue the struggle from abroad.

Two Armies Quit

Rome and Berlin announced unconditional surrender of the Grecian armies of Macedonia and Epirus, the northwestern section of the Hellenic peninsula adjacent to the Albanian frontier.

Berlin also stated that a British rear guard contingent had been "caught, surrounded and annihilated" yesterday in a fierce but brief battle at historic Thermopylae.

A German communique, issued from Chancellor Hitler's headquarters, said the Greeks had been trapped by a vast encircling maneuver. It stated:

"The encircled Greek Epirus and Macedonian Army surrendered unconditionally."

Rome likewise announced the Hellenic Macedonian and Epirus forces had laid down their arms in capitulation to the Italian Eleventh Army and added that "details of the surrender are now being worked out in full agreement with the allied German command."

Budapest simultaneously reported receiving advices that the Greek government had abandoned Athens to the Germans and announced it was fleeing to Crete, where it would continue to resist the axis.

London had no confirmation of these reports, but was inclined to believe them.

The London Evening Standard commented that probably the reports of a Greek surrender are true. Official circles in London pointed out that Greek forces had resisted superior armies for many months and declared:

"We cannot exclude the possibility that the Greeks have found further hostilities impossible."

"Race to Escape"
Germany claimed that further British resistance had been "wiped out" to all intents and purposes and that the action now has developed into a "man hunt" by the Germans and a "race to escape" by the British.

Stuka dive-bombers blasted to bits the few good roads leading southwards through Greece over (Continued on Page Six)

GIRL FUGITIVE NABBED

SAN FRANCISCO, April 23—Police today investigated the crime dossier of a pretty, 24-year-old girl, arrested by chance as a vagrant and identified by fingerprints as a fugitive and jail breaker from New Jersey and Texas prisons.

20 FAST BOATS READY FOR TRIP OVER ATLANTIC

WASHINGTON, April 23—The United States Navy has 20 of its 28 "mosquito" torpedo boats ready for immediate shipment to Great Britain under the lend-lease act. Secretary of Navy Knox told a press conference today.

"I don't know whether any have gone yet, but they are ready to go," Knox said.

At the same time, Knox declared the United States "would be very glad" to have some of its naval production work done in Canada, as suggested recently by Canadian Naval Minister Angus McDonald.

He said that the warships which might be built with Canadian facilities probably would be of the smaller type. He said that "one of the possibilities" would be that some of the small boats built in Canada for the United States would be turned over to Great Britain under the lease-lend program.

LONDON HEARS REICH SOLDIERS IN ATHENS

Flees Greece

KING George of Greece was reported today to have fled his native land in the face of the German offensive and to have taken up his abode on the island of Crete.

WAR TODAY

Flower Of Greek Army Cut Off By Speedy Panzer Units

By Captain John H. Craig
U. S. Marine Corps Retired
Surrender of the gallant Greek armies in Epirus and Macedonia yesterday brought to a disastrous end the combined British-Greek campaign in the Hellenic peninsula against Hitler's mechanized Nazi hordes.

A number of British and Greek divisions and other units are still fighting desperately, but these actions constitute only a military aftermath. The forces that still resist are hopelessly carved up by the slender steel fingers of German Panzer columns. All hope of counter attack is gone. Only question now is how many British and Greek fighters can escape to safety by sea.

With the surrender of the armies of western Greece the entire left flank of the Greek-British position caved in. The stroke that brought the Greek collapse was delivered by a German armored unit that swept from the heights of the southern bank of the Vistriza down the valley of the Arta River to Yanina, capital of Epirus, later penetrating to the Greek city of Arta close to the Ionian Sea.

Eight Divisions There
This drive of fifty miles completely cut off the flower of the Greek army that had been fighting the Italians in Albania for the last six months. In this (Continued on Page Six)

NORMAL CHILD IS BORN OF PARALYTIC PARENTS

CLEVELAND, April 23—Donald Frey, 39, cannot step out of his wheelchair, and his pretty wife, Roberta, 29, can walk only with crutches, but today they are the proud mother and father of a baby son born of paralytic parents.

Victims of infantile paralysis, Mr. and Mrs. Frey will take their son—born perfectly normal—to an unusual home they designed themselves in suburban Euclid. There is not a single stairway in the house. Ramps lead to all doors from the outside, and to and from all rooms. All the rooms are reached from a hall five feet wide through the center of the house.

The one room they did not include was a nursery because they did not think they would need one. The den will be converted. Frey, a jeweler, has been a paralytic since he was 14, his wife since she was 11 months old.

Surrender Of Epirus And Macedonia Armies Breaks Opposition To Mechanized Units; Fate Of British Troops In Doubt

KING REPORTED ON ISLE OF CRETE

Brief Battle At Thermopylae Results In Annihilation Of Empire Forces, Claim Nazis; More Transports Destroyed

BY INTERNATIONAL NEWS SERVICE
Heroic Greek resistance crumbled today before the mighty onslaughts of the mechanized Nazi army and its swarms of bombing planes.

Communication with Athens was cut off soon after reports reached the world that King George and his government had fled the Greek capital to the island of Crete. Surrender of the Greek armies in the Epirus and Macedonia, announced in both Berlin and Rome, apparently broke the back of Greek resistance.

There was no immediate knowledge of the fate of the British troops fighting in Greece. Berlin claimed that those which were not annihilated or captured on the Greek mainland were lost with their evacuation ships under a rain of bombs from Nazi planes.

London, chagrined by the newest British debacle, heard reports that a German occupational force may have already seized Athens and its communication system.

A Swiss radio broadcast telling of the flight of King George of Greece was followed by the reading of his proclamation in which the Grecian monarch announced a decision to continue the struggle from abroad.

Two Armies Quit

Rome and Berlin announced unconditional surrender of the Grecian armies of Macedonia and Epirus, the northwestern section of the Hellenic peninsula adjacent to the Albanian frontier.

Berlin also stated that a British rear guard contingent had been "caught, surrounded and annihilated" yesterday in a fierce but brief battle at historic Thermopylae.

A German communique, issued from Chancellor Hitler's headquarters, said the Greeks had been trapped by a vast encircling maneuver. It stated:

"The encircled Greek Epirus and Macedonian Army surrendered unconditionally."

Rome likewise announced the Hellenic Macedonian and Epirus forces had laid down their arms in capitulation to the Italian Eleventh Army and added that "details of the surrender are now being worked out in full agreement with the allied German command."

Budapest simultaneously reported receiving advices that the Greek government had abandoned Athens to the Germans and announced it was fleeing to Crete, where it would continue to resist the axis.

London had no confirmation of these reports, but was inclined to believe them.

The London Evening Standard commented that probably the reports of a Greek surrender are true. Official circles in London pointed out that Greek forces had resisted superior armies for many months and declared:

"We cannot exclude the possibility that the Greeks have found further hostilities impossible."

"Race to Escape"
Germany claimed that further British resistance had been "wiped out" to all intents and purposes and that the action now has developed into a "man hunt" by the Germans and a "race to escape" by the British.

Stuka dive-bombers blasted to bits the few good roads leading southwards through Greece over (Continued on Page Six)

GIRL FUGITIVE NABBED

SAN FRANCISCO, April 23—Police today investigated the crime dossier of a pretty, 24-year-old girl, arrested by chance as a vagrant and identified by fingerprints as a fugitive and jail breaker from New Jersey and Texas prisons.

20 FAST BOATS READY FOR TRIP OVER ATLANTIC

WASHINGTON, April 23—The United States Navy has 20 of its 28 "mosquito" torpedo boats ready for immediate shipment to Great Britain under the lend-lease act. Secretary of Navy Knox told a press conference today.

"I don't know whether any have gone yet, but they are ready to go," Knox said.

At the same time, Knox declared the United States "would be very glad" to have some of its naval production work done in Canada, as suggested recently by Canadian Naval Minister Angus McDonald.

He said that the warships which might be built with Canadian facilities probably would be of the smaller type. He said that "one of the possibilities" would be that some of the small boats built in Canada for the United States would be turned over to Great Britain under the lease-lend program.

SAVINGS BONDS TO GO ON SALE AT POSTOFFICE

Thursday, May 1, Chosen As
Initial Date For Public
To Begin Purchase

SYSTEM IS EXPLAINED

Limit Being Placed On
Number To Be Bought
During Year

The United States Defense Savings Bonds and Postal Savings Stamps will be placed on sale in the postoffice at the opening of business on Thursday, May 1, as part of the national effort to make America impregnable.

Postmaster A. Hulse Hays announced Wednesday that plans are nearly completed for this community, along with thousands of others from coast to coast, to do its full part at the opening of the savings program.

Postmaster General Frank C. Walker, in a letter to postmasters throughout the country, said that the help of local postmasters would be "a real service to the country." He transmitted the thanks of Secretary of the Treasury Morgenthau for the help that local postmasters had already given in the sale of United States securities, and also Mr. Morgenthau's thanks in advance "for the co-operation which he knows you will give to this new effort."

Like Baby Bond

The new Defense Savings Bond is similar to the familiar "Baby Bond", of which more than five billion dollars worth have been bought by more than two and a half million Americans since 1935. A Defense Bond may be purchased May 1, or thereafter, for \$18.75. In ten years, this bond will be worth \$25.00. This is an increase of 33 1/3 percent, equal to an annual interest return of 2.9 percent, compounded semi-annually. Any time after sixty days from the date of purchase, the bond may be redeemed for cash, in accordance with a table of redemption values printed on the face of the bond.

To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in one year. The bonds are in denominations of \$25, \$50, \$100, \$500 and \$1,000, all of which are sold for 75 percent of their maturity value and all of which mature in ten years.

Larger Ones Available

For larger investors who can afford to purchase up to \$50,000 worth of bonds a year, the Treasury Department has issued two additional kinds of Defense Savings Bonds, but these will be sold only through banks and by direct mail from Washington D. C. They are intended for associations, trustees and corporations, as well as individual purchasers.

For the smaller investor who wants to buy a Government Bond on an easy payment plan, the postoffice will have a new series of Postal Savings Stamps, at 10c, 25c, 50c, \$1, and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, pocket album in which to paste his stamps until he has enough to buy a \$25 bond or one of higher denomination. Thirty million of these albums are now being prepared.

The cover design of the albums is in color, featuring a United States battleship and an eagle bearing the American flag. On the back cover is a painting of the Minute Man statue by Daniel Chester French. The inscription is "America on Guard".

Making inquiry of our hybrid seed corn grower, Roger Hedges, about sales this season compared to others, and the acreage to be used for production this year, he told us that the demand was above that of any other Spring and that his main varieties were practically sold up with but little left of any kind. And as to acreage as compared to other growing years, said that he is intending to plant around a 50 percent increase and of course this means a lot more work and employment for "his boys" as he calls them. Roger has been at this seed corn growing for several years and has learned, maybe not all, but a lot about how it should be done for best results.

The village council paid current bills and talked over plans for work when once the Weatherman gets settled down to good behavior for the season. That big East Side sewer job we've told about several times and being placed by Contractor Fred Curry and his force of workers is near completion. It was a job that much needed doing and the dwellers in that section should be pleased that they have the improvement.

That white frost here Tuesday made many of us think that all the fruit was done for, killed as dead as that doornail you've always heard 'em talk about. But happily this has proven to be not true. To make doubly sure that no injury had been done to the peaches, trees full of tiny ones, we again bothered the John Mays, with the 1000-tree orchard, to know what damage the frost had done there. Mays answered the call, said they had been to the orchard, examined the small peaches and that they were not injured. Even the young beans in the garden just through the ground were not hurt and no damage that they could find had been done, she told us.

The annual excursion of the second-year typewriting class took place when eighteen students and their teacher spent the day in Columbus. George Forquer, Francis Huber, Paul Neff, Bill Schlarp, Ralph Swayer, Warren Swisher, William Darrow, Jessie Baum, Doris Cline, Donna Courtright, Marilyn Hedges, Garnet McClurg, Ethel Reid, Ruth Rinehart, Ruth Ann Sark, Esther Smith Jane Stevenson, Orlean Hines and Mr. Murphy, comprised the group.

Seeing a large newspaper plant in operation was the morning's "educational visit" and this proved to be very interesting as most of the group had never been inside

a newspaper plant before. A guide, employed by the publishing company, accompanied the party through the several floors of machinery, offices, studios, etc., and gave explanations and answered questions of the interested students.

In the afternoon, many of the students visited the State Capitol where they were treated in a "royal" manner which was somewhat surprising to the students and which pleased them very much. Much information was received and several autographs obtained.

Two of the girls in the group spent their afternoon time visiting a down town hospital to gain information regarding training, conditions etc. Several boys made a visit to the Columbus Airport where they witnessed many planes of all sizes and were fortunate to see the landing and take-off of a TWA air-liner which was enroute from New York to Cincinnati and the Southwest.

Other points of interest visited were the State Office Building, A. I. U. Building, business houses, etc. A "free of charge" dinner was given the entire party at a down town restaurant at noon.

In Tuesday morning's typewriting class the students were given the opportunity of typing an essay on one interesting topic resulting from the trip. Reading the papers is adequate proof that something worthwhile was learned by this visit, which was made possible as a reward for services rendered to the school paper, TYPONEWS.

A bridge party was held at Mrs. Tom Acord's Monday evening. Besides the hostess, Mrs. Carrie Hedges, Mrs. Virginia Silbaugh, Mrs. Hazel Murphy, Mrs. Faye Mahaffey, Mrs. Hanna Noecker, Mrs. Elsie Beckett and Mrs. Flora Graham attended. Mrs. Beckett won top honors, while the other prize was taken by Mrs. Hedges.

Absent-Mindedness Costly
BOSTON. — Absent-mindedness caused 20 deaths in Massachusetts in 1940, according to Motor Vehicle Registrar Frank A. Goodwin. Summarizing automobile accident statistics for 1940, the registrar said, absent-minded operators and pedestrians were responsible for 20 of the 618 deaths in the state.

MAGICIAN WITH MCCARTHY

"Mysterious Morris" the mad-cap magician will be pulling rabbits out of Charlie McCarthy's silk topper Sunday. Before the half-hour that's heard at 8 p. m. is over Charlie McCarthy will be convincing with Morris to get him to make Edgar Bergen disappear.

The fast patter of Abbot and Costello, the singing of Donald Dickson, and music by Robert Arnbruster's orchestra will be heard in the middle of mysterious doings.

"Mysterious Morris" is in reality Chester Morris the movie actor. Both he and Bergen are members in good standing of the Amateur Magicians Association. At a recent

meeting they decided Charlie McCarthy would make an excellent subject for a group of parlor tricks including saving a dummy in half. But Charlie doesn't know about this latter idea.

ITALIAN OPERA

"Vocal Embroidery," the story of the beginnings of Italian opera, is the title of the "Music of the Masters" broadcast to be heard Sunday, a 1:15 p. m.

The musical-dramatic presentation will tell of the vocal "fire-works" which emerged as part of the rebellion against the old polyphonic forms. Musical examples from early Italian opera will be included. Umberto Neely will direct student artists of the Cincinnati College of Music.

FARM HOUR

The most extensive summer activity ever scheduled on an agricultural broadcast series on WLW was announced this week by Ed Mason, farm program director, as he released plans for covering a dozen farm fronts over a period of five months.

The new schedule, which anticipates the calendar arrival of summer, takes effect on Monday, a day after radio time change. Its highlights include news and on-the-spot coverage of the Agricultural Adjustment Administration, Future Farmers of America, Farm Credit Administration, county fairs, the annual Vegetable Growers Show at Columbus, Ohio; 4-H Club, farm bureau field days; major regional grange meetings, extension services, WLW's experimental farm, and highlights of state fairs. All will be heard on "Everybody's Farm Hour," scheduled Mondays through Fridays at 12:20 p. m. and Saturdays at 1 p. m.

COLLEGE 116 YEARS OLD

SHREVEPORT, La.—A history student, roaming through the halls of Centenary College, found an inscription that Centenary was founded in 1825. A perusal of old educational institutions in early America revealed that no other college had been founded west of the Mississippi River up to that time. Centenary now claims that distinction.

ASHVILLE

By S. D. Fridley
Ashville, Phone 76

Making inquiry of our hybrid seed corn grower, Roger Hedges, about sales this season compared to others, and the acreage to be used for production this year, he told us that the demand was above that of any other Spring and that his main varieties were practically sold up with but little left of any kind. And as to acreage as compared to other growing years, said that he is intending to plant around a 50 percent increase and of course this means a lot more work and employment for "his boys" as he calls them. ASSEMBLY PUTS RESTRICTION ON OHIO PETITIONS

Democrats Charge Death Knell Of Initiative And Referendum

REGULATIONS ARE VOTED

Quail As Game Bird Comes Up Again As Solons Consider Bill

COLUMBUS, April 23—Democrats in the Legislature today charged that the death knell of the initiative and referendum in Ohio had been sounded following passage of a bill imposing rigid restrictions on the circulation of petitions.

Approved by the Republican majorities in both houses, the measure was assailed as a virtual repeal of provisions voted into the Constitution in 1912 to enable Ohio voters to initiate constitutional or statutory amendments.

Sponsored in the Senate by Sen. Albert L. Daniels (R-Greenfield), and on the floor of the House by Rep. Gordon Renner (R-Hamilton), the bill provides that to place an issue on the ballot by petition, a committee must first file with the secretary of state the names of all circulators, and must list the serial numbers of the petitions issued to each.

A statement, printed in red ink on the face of each petition, would inform the prospective signer of the amount of compensation the circulator receives for his work. Petitions would have to be retained in the personal custody of the circulator at all times, and he would be required to take oath that he personally witnessed each signature.

Seizure Provided
Election officials would be authorized to seize any petitions left in public places, and these would become invalid unless the committee could prove that the circulator had been present when the signatures were affixed. Persons would be enabled to have their names removed from a petition on written request to boards of elections.

The secretary of state would be authorized to request the state tax commissioner to estimate the cost of initiated proposals and the estimated amount of the tax yield, if any. This data would be mailed to voters at the time the petitions were circulated.

Petitions would have to be filed within 18 months after issuance by the secretary of state, and the secretary would be given authority to reject any petitions which, on their face, appeared to have insufficient signatures.

Renner yesterday defended the bill on the floor of the House as a measure designed to cure defects in the existing law, and to insure that more responsible persons serve as circulators of petitions. The debate that followed was strictly partisan, Democrats charging that the true purpose of the bill was to end initiative and referendum altogether.

"The Chamber of Commerce of Ohio is back of this bill," asserted Rep. Bishop Kilpatrick (D-Trumbull). "The Chamber spent a mil-

lion dollars to defeat the Bigelow amendment and now wants to prevent future referendums. With more than 300,000 petitioners required, it is already difficult enough for the people to get an issue on the ballot, and that is a sufficient check against unwise referendums.

Coercion Possible

"The true object in requiring the filing of names of circulators in advance is to make their names available to the opposition which will buy up the petitions or coerce the circulators. The purpose of the red ink affidavit on the face of the petitions, showing the amount the circulator receives for his work, is to discourage persons from taking out petitions and to scare off the signers."

Rep. Michael P. O'Brien (D-Cuyahoga) called the bill "a 'blitzkrieg' an initiative and referendum."

"I am a member of the House elections committee," he said. "This bill was hastily voted out last Thursday with a long list of amendments, and there was no opportunity to study them. Now it has been jumped over 80 other bills to a place on today's calendar."

Rep. Harold L. Mason (D-Wyandot), minority floor leader, described the initiative and referendum as "the only lobby the common people have. Why make it almost impossible for them to use these implements?"

On the other side of the House, Rep. Richard H. Hildebrandt (R-Clinton), said the bill would relieve voters "of having to pass on an endless variety of crackpot ideas," and that the "lawmaking work of Ohio should continue to rest mainly with the Legislature."

Amendments introduced by the Democrats were tabled, and the bill was passed by a strictly partisan vote of 70 to 57 and sent back to the Senate for concurrence in House amendments.

Quail Up Again

The highly controversial issue of removing the bob white quail from the Ohio song bird list came up once more while the House was considering a bill by Rep. Fred G. King (R-Clark), defining the powers of the conservation and natural resources commission in propagating wild life.

Rep. Charles F. Sweeney (D-Cuyahoga) attempted to amend the bill to include quail in the list of birds to be placed under the control of the commission "to provide for their preservation, use and development for public recreation and food supply."

The amendment was defeated after Rep. Paul L. McCormick (R-Logan), asserted that a majority of Ohio farmers would close their farms to hunters if the ban against shooting quail were lifted.

After a prolonged debate in which Rep. Griffith Evans (R-Portage), charged that under a strict interpretation of the King bill it would be against the law to kill mosquitoes, the measure was passed by a vote of 83 to 27.

A companion bill, by Rep. C. W. O'Neill (R-Washington), recodifying and revising the state's fish and game laws, was passed by a vote of 99 to 9.

The House also passed a bill to require sellers of explosives to register with county officials and to keep records of all sales over a five-year period.

The Senate yesterday unexpectedly deferred action on the Hunter bill to increase the personnel of the State Highway Patrol from 200 to 300 and to vest it with limited police powers after re-

PETTENGILL

"The Gentleman from Indiana"

PAX DEMOCRATICA

April 2, 1917 Woodrow Wilson told Congress that "the world must be made safe for democracy." Three days later we were in the war.

Twenty-four years ago to a month we hear an echo. It comes from Vice President Henry Agard Wallace. He tells us "The United States now has her second opportunity to make the world safe for democracy." It is no longer a duty, as Wilson put it. It is an "opportunity." The Vice President says so.

And along comes a book, "The City of Man," by Herbert Agar, who personally declared war a year ago. Helping him write it are various native intellectuals and half-a-dozen European refugees. This book advocates the election of all the people of the earth, including, I suppose, the Kaffirs, Hottentots and whatnots, of a "President of Mankind." A truly noble office. And a lot of patronage. They don't say whether Henry Wallace is their candidate, but I suppose he is unless—

But we Americans can't expect both places on the ticket. I thought about other candidates until I fell asleep and dreamed of hearing voices in Chairman Eddie Flynn's office at Democratic National Committee headquarters.

"No," said a voice, "we can't run another one of our boys for Vice President of Mankind. Better put up Chiang-Kai-Shek; that Chinese war's gotta lot of votes."

"Wait a minutes! Wait a minutes!" said another voice. "What about India? They'd want Gandhi, Henry and Gandhi! There's a natural for you, Chief; it's roll up the woman's vote, and we know how they go for good looks."

A third voice broke in: "Yeah! An' leave the Chinks offen th' ticket? They'd make a deal wit' the other side; an' where'd that leave us?"

"Looks like a tough spot we're in," observed the first voice. "We stand to lose 300,000,000 votes to the Axis crowd either way. Well, anyhow, I'm looking forward to election night and listening to returns from precincts covering the whole planet. It will be mighty interesting to get them from Hadzuszobuszo, Kamionka-Strumilowa, Balassigymmat, and Didymoteikhon. I get reports of threatened ballot stuffing at Umzingwani. We may have to send troops. And the situation at Benokhobugu looks bad. The precinct captain there may have made a deal with the Sumbatigwilas to vote the Hitler-Stalin-Mussolini-Mikado ticket. Trade off the world ticket for the city hall. We'll be in a fix if they win. I'd never forgive myself if Henry lost the election by six votes in two billions. I'd always feel I should have worked a mite harder."

"But Henry is young. If he loses, four years is a short time. Or eight. But say, wait a minute. We forgot something. In that Constitution of the World and U.S.A., we adopted a while back, we forgot to say anything about a third term. That's bad. Yes, sir. How could we have missed that with 1940 so close? If that Axis ticket wins, why they might stick for life. That would be mighty tough on Henry and us democrats."

"But Henry, he's confident. He ports reached the Republican sponsors that organized labor has taken a stand against the measure.

Sen. William M. Boyd (D-Cleveland), minority floor leader, let it be known that Democrats would vote solidly against the bill, and because of the absence of several Republican members, a vote was postponed.

Yes, sir, at the Waldorf! Henry's moving up.

"Well, he said there would be a Pax Democratica 'which will bless us and the whole world for a century to come. I figure that will take us to 2041, maybe longer. But that Pax business stumped me. I had to go over to the high school principal to find out. But I didn't feel so dumb when he said it had him licked too. Never'd heard of it. Think of Henry stumping the principle! First he thought it was something Spanish Henry had picked up down Mexico way. But he got rummagin' around in his history book and found a Pax Romana. It had nothing to do with Mussolini, thank God. It was a peace that Caesar and Nero fastened onto the Gauls and Britons way back. Old stuff."

"But no Pax Democratica anywhere. We asked Miss Strainabrain, the librarian. She's smart as they come, but it stumped her, too. We figured finally that Henry had invented it. He's always inventing something. And that it means a peace democratic, not New Deal necessarily, but certainly not Republican. And if, as Henry says, 'for a century to come,' we're in, boys. Think of the gravy. Why, just to furnish election clerks in Ethiopia will fix up all the Iowa boys we couldn't place last time."

Then I waked up—or did I?

It was a peace that Caesar and Nero fastened onto the Gauls and Britons way back. Old stuff."

"But no Pax Democratica anywhere. We asked Miss Strainbrain, the librarian. She's smart as they come, but it stumped her, too. We figured finally that Henry had invented it. He's always inventing something. And that it means a peace democratic, not New Deal necessarily, but certainly not Republican. And if, as Henry says, 'for a century to come,' we're in, boys. Think of the gravy. Why, just to furnish election clerks in Ethiopia will fix up all the Iowa boys we couldn't place last time."

Then I waked up—or did I?

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Amazing in making bile flow freely. Ask for Carter's Little Liver Pills. 10c and 25c.

CLEVER HEALTH TRICK

A GREAT bread reform, long urged, is near accomplishment. Americans in general may soon be eating bread because it's good for them, not merely because they like it.

This doesn't mean universal use of "whole wheat" or flour with the bran and germ ground up in it. There is an easier way. Scientists have found that minute quantities of a group of vitamins known as the "B-1 complex" when mixed with impoverished white flour, will so fortify bread that the eaters are automatically made safer from nervous depression and some other kinds of illness.

This procedure has been adopted in England, and is credited with much of the health and morale found in the people there in spite of their privations.

The Miller's National Federation and the National Retail Bakers' Association in this country have agreed to treat their white flour with thiamin and nicotinic acid, which contain the desired vitamins. The U. S. Food and Drug Administration also has a hand in the matter, so people need not fear the change.

As a matter of fact, they probably would never be aware of the change unless they were told about it; they would feel better without knowing why.

EARTHQUAKE

THAT Mexican earthquake on April 15 was more devastating than a blitzkrieg of the same duration. Lasting from 30 seconds to five minutes, it destroyed many buildings, made thousands of people homeless, set numerous city and forest fires, destroyed a waterworks system, knocked out light service and telephone communications and inflicted probably \$1,000,000 damage.

Relief and repair services went quickly to the various points affected and the work of feeding and clothing the victims, preventing disease and starting necessary rehabilitation began at once.

The human beings engaged in these constructive, humane tasks could not be sure that there would be more earth tremors, but they knew that there would be no sudden attacks by malicious enemies following horror with worse horror. Nature is often cruel, but not so cruel as aggressive war-makers.

WORLD AT A GLANCE

—By—
Charles F. Stewart

QUITE a few of the big industrialists, with plants adapted to the production of supplies essential to our nationally defensive program and to aid-the-democracies purposes, aren't a bit eager to having their facilities taken over and managed by the government during the present emergency period.

It's a suggestion which, coming from such authorities as Production Director William S. Knudsen, sounds a good deal like a threat, but some of the industrialists interpret it as verging on a promise.

Of course, it's assumed that Uncle Sam will pay fair rentals for the facilities referred to if he "commandeers" them, as the expression is. And advocates of the plan urge its adoption only on a rental basis; they don't propose outright confiscation. The industrialists aren't altogether indisposed to take Uncle Samuel up on it.

Washington's simply swarming with their representatives and a scattering of their principals today. They don't say for publication that they'll welcome having their plants governmentally commandeered, but it's easy to overhear 'em whispering it to one another.

The idea's this: The government, in letting its contracts, is driving a succession of pretty hard bargains—according to the industrial spokesmen's account, at any rate.

They're afraid it may get tighter-fisted yet too, with all the gossip there is about enormous emergency profits and with congress

just starting an investigation of production bottlenecks, strikes and other stoppages. Labor's being popularly blamed for a considerable share in obstructiveness, but management's coming in for a sizeable proportion of public criticism.

LITTLE PROFIT SEEN

Now, the industrialists' version is that they're not due to make much money on the strength of the bargains they've concluded thus far, and some say their concerns will be lucky to break even.

That's as of this moment's writing.

What worries the industrial folk more especially, however, is the prospect, foreseen by them, that their costs of operation will increase very rapidly and formidably. Their workers already demand higher wages, as hinted at by the current strike epidemic. The tale of the strikers' employers is that they can't stand it on the basis of their existing contracts. Besides, they think (or profess to think) that a big bulge in the costs of their raw materials is imminent.

If their apprehensions are realized, which they're dimly gambling on, they predict that they shortly will be losing financially like fury.

The head of a big Atlantic ship-building company was in Washington recently, negotiating with Director Bill Knudsen's Office of Production Management. I can't quote him by name, but he told me:

Daily Washington Merry-Go-Round

BY DREW PEARSON AND ROBERT S. ALLEN

DAN TOBIN GOT HINT

WASHINGTON—The President has taken no public stand on the Vinson anti-strike bill, but he dropped a clue to his attitude during his luncheon with AFL chief Dan Tobin.

The genial, white-thatched boss of the teamsters' union is one of Roosevelt's closest labor friends. Also, one of the most outspoken. He bluntly denounced the bill as a reactionary attack on labor, and warned the President that if it became law it would have a bad effect on the defense program.

"You can't legislate a working man into staying on a job if he wants to quit," Tobin argued. "And that's just what this bill amounts to. It is neither constitutional nor necessary. I realize that a strike can be a serious hazard to the defense program, but restrictive legislation against unions isn't the answer.

"Furthermore, the mediation board you have set up is performing splendidly. It has settled every major strike turned over to it without delay. What more can Congress ask? Actually, this strike situation isn't as serious as some anti-labor congressmen want the country to believe. They are making a big hullabaloo about strikes for the real purpose of cracking down on the workers."

When Tobin finished, the President, who had been listening silently, remarked quietly, "You needn't worry about the bill becoming law, Dan."

Tobin is convinced that Roosevelt meant he was ready to use his veto power if that became necessary.

IRISH BASES

Tobin also urged the President to use his influence to persuade Erie to make air bases available to Britain.

"Some Irish-American friends," Tobin said, "asked me to intercede with you to send military supplies to Eire. I told them that I felt Eire should make the first move by turning over bases in Ireland to the RAF."

"I was born in Ireland, but I am first and always an American, and I believe it would be in our interest as well as Britain's to help the RAF get the bases."

LONELY DIPLOMATS

Representative Edith Nourse Rogers of Massachusetts pricked up her ears when family matters were mentioned in a House Appropriations Committee hearing. The State Department was asking for funds to bring home on leave the junior members of our foreign service.

"Are those clerks allowed to marry foreign girls?" asked Mrs. Rogers.

The State Department spokesman said they were, explaining that if they didn't have a chance to get home once in a while and meet American girls, the young diplomats were very likely to marry foreigners.

"One advantage of this bill," said the official, "is that it will give these young men a better opportunity to marry American girls. You take a young fellow and send him away 5,000 miles from home, and

DIET AND HEALTH

Bovine Tuberculosis

By LOGAN CLENDENING, M. D.

● I am in receipt of an extremely interesting letter from a woman in Halifax, N. S. She writes, "The cows in Hants County are being tested for tuberculosis, and signatures are needed to bring them to this county. I opened the subject at a church meeting and was amazed at the reception I got. They would rather risk the dis-

Dr. Clending will answer questions of general interest only, and then only through his column.

case than lose a cow. I have a brother of 21, who has been in bed nearly six years with bovine tuberculosis. This neighborhood, almost to a man, reads the Halifax CHRONICLE and an article on the subject seems to me to be needed at the present time. Is it possible for human beings to get tuberculosis from cows?"

Government Inspection

It most certainly is possible for human beings to contract bovine tuberculosis. This was denied for a long time, but there is no question that the transmission occurs, especially in children, resulting in bone and joint tuberculosis, but it also can cause tuberculosis of the lungs.

The experience in the United States with the U. S. Department of Agriculture is a striking one. Some years ago in such agricultural and dairy states as Nebraska, the Dakotas and Utah, the tuberculosis death rate was very high. In 1906 the U. S. Department of Agriculture established governmental inspection of meat, and discovered the terrible inroads tuberculosis was making in domestic animals.

In 1916 the United States began a campaign to eradicate tuberculosis in live stock and ordered that all cattle which reacted to the tuberculin test were to be slaughtered. As a result of that campaign in the same states of Nebraska, the Dakotas and Utah, the tuberculosis death rate is 15 per 100,000 population as compared to the general death rate in the country of 46.6. This reduction has been ascribed to the wiping out of tuberculosis among cattle.

This is in striking contrast to the experience in England. The English Ministry of Agriculture began a similar campaign in 1913, but whereas in the United States all cattle which reacted to the tuberculin test were slaughtered, in England the Ministry slaughtered only obviously ill and consumptive animals. The result of this up to 1937 was that in England the situation as regards tuberculosis among cattle was practically the same as in 1913.

Up to recent times 40 per cent of the cows in England had foci of tuberculosis and 6 per cent of all deaths from tuberculosis in children were of the bovine type. In the United States, owing to the rigorous enforcement of drastic laws, 75 per cent of dairy counties have reduced the incidence of tuberculosis in cattle to 1/2 of 1 per cent or less, and bovine tuberculosis in the United States has been reduced over 50 per cent and in many places is practically nonexistent.

QUESTIONS AND ANSWERS

E. B.:—"What shall I do for my eye? The tear duct is stopped up and my eye waters most of the time."

Answer—This condition is well known to oculists and should be treated by the passage of a probe down the duct. The treatment is very successful and can be carried out in the oculist's office.

P. F. G.:—"Is it safe for a middle-aged man to have an operation performed for double hernia, and can it be done without taking anesthesia?"

Answer—Yes, it is perfectly safe and most such operations nowadays are done without a general anesthetic, under local anesthesia.

EDITOR'S NOTE: Dr. Clending has seven pamphlets which can be obtained by readers. Each pamphlet sells for 10 cents. For any one pamphlet desired, send 10 cents in coin, and a self-addressed envelope (marked with a three-cent stamp, to Dr. Logan Clending, in care of this paper. The pamphlets are: "Three Weeks' Reducing Diet," "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene," and "The Care of the Hair and Skin."

Honeymoon Gold

by PEGGY DERN
RELEASED BY CENTRAL PRESS ASSOCIATION

CHAPTER TWENTY-ONE

THINGS WERE not going so well in the Gray Gull cottage. Mrs. Edmonds was by no stretch of the imagination given with housewifely traits. To put it flatly, Mrs. Edmonds couldn't cook and she had no desire to learn.

In a filmy, trailing crepe and lace hostess gown, she made a pretty play of setting the table. Meanwhile the major struggled manfully with can-opener and canned food and eyed with hungry, disappointed eyes the luscious looking steak in the meat tray of the mechanical ice box.

"I'm really not hungry," prattled his wife as she arranged dainty lettuce leaves and dropped on them spoonfuls of diced canned fruit, then heaped over the whole a gob of mayonnaise. "There are some crackers—we'll toast them with cheese—and there's milk—"

"But, honey-bunch, ANYBODY can broil a steak!" pleaded the major, recklessly.

She drew herself up, offended at his tone. He saw her lips quiver, and was certain that there was a tear forming in her eye. Although married less than a week, the major had learned his stern signals.

"But, of course, we'll have the steak tomorrow. I didn't really want it tonight," he began hurriedly.

She set her full mouth in a thin, hard line.

"Oh, yes, you do. And I'll cook it for you—if it kills me," she told him dramatically. "But I don't see why you married ME if I can't cook you wanted. I've TOLD you I can't cook. How would I ever learn, living in a hotel practically all my life?"

She was making a great to-do with the steak, shrinking daintily from the contact of the red, smooth meat, shuddering a little as her fingers were bloodied by it; shoving it under the flames in the oven with a little gesture of distaste.

"I don't see how anybody can possibly eat anything that looks so horrid when it's raw!" she protested almost tearfully.

But the major, hungrily eyeing the broiling meat, was for the first time in their brief married life, a little preoccupied in his attempts at peacemaking.

The flamingo cottage had been assigned to June and Donald Heath. A place of delicate colors stolen from the plumage of the lovely roseate flamingo whose amazing grace so enchants the tropical visitor. June loved the

mother-of-pearl gray, the faint, rosy pinks, the soft blues of the place. She went about stroking pillows, touching the silvery gray woodwork, while Donald watched her, an unhappy look in his lean, brown face.

"Almost time for you to begin getting ready for a concert, isn't it?" he said teasingly.

She turned to him swiftly, almost pleadingly.

"Darling—please don't remind me," she cried. "I never want to think of another concert, or even to see another violin as long as I live. I just want to be a human being, a wife—your wife, darling. And maybe, if God is very good to me, the mother of your children. Oh, please, dearest—please believe me."

Donald's arms closed about her and he rubbed his cheek against hers with a caressing gesture that seemed to melt the very heart in her breast. But his eyes were still troubled, uneasy.

"I want to believe that, angel," he told her after a moment. "But when I remember all that you've given up, just for a lug like me—"

She put a soft hand over his mouth and said with slightly unsteady gaiety, "Stop it! You can't talk like that about my favorite husband!"

His hand caught hers and he kissed each finger-tip separately. Then he spread her hand out across the palm of his and studied it very closely.

"Such a strong, fine hand," he said in an almost musing tone. "Ever since it was five years old, it's been trained to be the hand of a great concert violinist. When I think of your mother—"

"Let's not think of my mother—not just now," June said quietly. "Poor darling, she's terribly bitter. But she'll get over it."

"Will she? I wonder," said Donald. "And I don't know that I can blame her. After all, when you've sacrificed everything for 13 years to give someone a career, and then that someone refuses to take the career—"

"But I worked for two years, Don. I made a lot of money—and I gave it all to her," June pointed out, her voice shaken so that he knew she, too, had been thinking the same thoughts he was expressing, and that she had worried about the same things that were bothering him. "She has enough to take care of her comfortably as long as she lives. She knows that you and I will not let her want for anything."

"She'd starve in the gutter before

she'd accept a crust of bread from me, you know. She said so herself," Donald reminded her a trifle grimly.

"I know. But she was terribly upset, overworked. She didn't mean it!" June's voice broke.

"I don't think you ought to kid yourself about that," Donald reminded her curtly. "Your mother is a very determined lady and she didn't strike me as at all likely to change her mind. Especially about me. She thinks I am a good-for-nothing so-and-so, who waited until she had you all groomed to make a killing as a concert star, and then walked in and swiped you for myself. And—she's right, of course."

June drew a long, hard breath and said quietly, "We have to have this out, Don, here and now. Because—if you are going to walk out on me, you'll have to do it before we go any further. I couldn't give you up—"

"That's the way I feel about it, darling. The only thing that tortures me is that some day you may be sorry—and then it'll be too late. Maybe if you give up your music, the career you've loved and sacrificed for—you may regret it—"

"I'll never regret it. I love you. All I shall ever want is to be your wife and have your love," said June.

"Bless you for that!" said Donald in a voice that was little more than a ghost of a sound, as his lips found hers.

Night settled down over the island. Night that was silent save for the pounding of the surf on the beach; the countless rustling of the small night creatures hidden in the jungle; and the soft murmur of muffled cars as a long boat filled with dark shadows pulled from the mouth of the little creek that fed the march. There was the sound of voices, very low, very cautious; the moving of a dozen or more men settling themselves for silent waiting. And then—darkness again.

And far out on the ocean a long, rolling black film flattened the waves, as an "oil-slick"—marking the spot where an oil tanker had been scuttled, its hundreds of gallons of oil rushing to the surface, lying black and thick and gummy over the turquoise blue waters—started its long voyage south, leaving ugliness and grime, bits of wreckage that spoke with eloquent tongues of dark deeds done out there in that vast silence between sea and sky.

GRAB BAG

One-Minute Test

1. Which is older, blues songs or jazz?
2. How often does the president of the United States get paid?
3. Why do we call Cupid Dan?

Hints on Etiquette

A man should wear a boutonniere on his left lapel.

Words of Wisdom

There is no use of money equal to that of beneficence; here the enjoyment grows on reflection; and our money is most truly ours when it ceases to be in our possession.—Mackenzie.

One-Minute Test Answers

1. Blues songs are much older than jazz.
2. Once a month.
3. Dan is a title of honor and respect, corresponding to sir.

Today's Horoscope

If your birthday is today, your financial position should improve greatly in the next twelve months. Unexpected help comes to you, and you will also have changes. You should be cautious about in position through false friends and avoid ocean travel.

STARS SAY—

For Wednesday, April 23

A DAY of astrological "mixed influences" may be read from the prevailing lunar and mutual aspects, with some very auspicious conditions offset by sudden upsets, changes and much indecision. It may be difficult to come to definite conclusions as the mind is not only erratic but confused. With much restraint and forethought it may be possible to choose the gainful situation, particularly in all pertaining to public, group or social welfare. Be alert to deception.

Those whose birthday it is may find themselves confronted by a year in which their own vigilance, sagacity and acumen may be responsible for eluding danger and loss through duplicity, treachery and possible sharp practice. The situation may be beset by confusion, while the mentality moves in impetuous or erratic grooves. But public work of any nature should flourish, especially in matters concerning social welfare or humanitarian movements.

A child born on this day should have many original views and talents, while having some confused or eccentric ideas or emotional impulses. Its signal success will be made in public or community work, as its gifts are for social uplift or service. It may have much personal charm and influence.

Original, magnetic, full of charm and good comradeship will be the child who is born today. He or she will have an attraction to the arts and occultism, and some disappointment through deception is probable.

It Will Be a Happier

DAY

For Everyone If
You Drive Carefully

Driving is for business and pleasure, not for tragedy... Drive safely always. By the way... Should an accident occur, have you ample insurance to cover the Loss?

CLEVER HEALTH TRICK

A GREAT bread reform, long urged, is
near accomplishment. Americans in
general may soon be eating bread because
it's good for them, not merely because they
like it.

This doesn't mean universal use of
"whole wheat" or flour with the bran and
germ ground up in it. There is an easier
way. Scientists have found that minute
quantities of a group of vitamins known as
the "B-1 complex" when mixed with im-
poverished white flour, will so fortify
bread that the eaters are automatically
made safer from nervous depression and
some other kinds of illness.

This procedure has been adopted in
England, and is credited with much of the
health and morale found in the people
there in spite of their privations.

The Miller's National Federation and
the National Retail Bakers' Association in
this country have agreed to treat their
white flour with thiamin and nicotinic
acid, which contain the desired vitamins.
The U. S. Food and Drug Administration
also has a hand in the matter, so people
need not fear the change.

As a matter of fact, they probably
would never be aware of the change unless
they were told about it; they would feel
better without knowing why.

EARTHQUAKE

THAT Mexican earthquake on April 15
was more devastating than a blitz-
krieg of the same duration. Lasting from
30 seconds to five minutes, it destroyed
many buildings, made thousands of people
homeless, set numerous city and forest
fires, destroyed a waterworks system,
knocked out light service and telephone
communications and inflicted probably
\$1,000,000 damage.

Relief and repair services went quickly
to the various points affected and the work
of feeding and clothing the victims, pre-
venting disease and starting necessary
rehabilitation began at once.

The human beings engaged in these
constructive, humane tasks could not be
sure that there would be more earth tre-
mors, but they knew that there would be
no sudden attacks by malicious enemies
following horror with worse horror. Na-
ture is often cruel, but not so cruel as
aggressive war-makers.

WORLD AT A GLANCE

QUITE a few of the big indus-
trialists, with plants adapted to the
production of supplies essential to
our nationally defensive program
and to aid-the-democracies pur-
poses, aren't a bit averse to hav-
ing their facilities taken over and
managed by the government dur-
ing the present emergency period.
It's a suggestion which, coming
from such authorities as Produc-
tion Director William S. Knudsen,
sounds a good deal like a threat,
but some of the industrialists in-
terpret it as verging on a promise.
Of course, it's assumed that
Uncle Sam will pay fair rentals for
the facilities referred to if he
"commandeers" them, as the ex-
pression is. And advocates of the
plan urge its adoption only on a
rental basis; they don't propose
outright confiscation. The indus-
trialists aren't altogether indis-
posed to take Uncle Sam up on it.

Washington's simply swarming
with their representatives and a
scattering of their principals to-
day. They don't say for publica-
tion that they'll welcome having
their plants governmentally com-
mandeered, but it's easy to over-
hear 'em whispering it to one an-
other.

The idea's this:
The government, in letting its
contracts, is driving a succession
of pretty hard bargains—accord-
ing to the industrial spokesmen's
account, at any rate.

They're afraid it may get tight-
er-fisted yet, too, with all the gov-
ernment's about enormous emer-
gency profits and with congress

Daily Washington

Merry-Go-Round

BY DREW PEARSON AND ROBERT S. ALLEN

DAN TOBIN GOT HINT

WASHINGTON—The President has tak-
en no public stand on the Vinson anti-
strike bill, but he dropped a clue to his
attitude during his luncheon with AFL
chief Dan Tobin.

The genial, white-thatched boss of the
teamsters' union is one of Roosevelt's clos-
est labor friends. Also, one of the most
outspoken. He bluntly denounced the bill
as a reactionary attack on labor, and
warned the President that if it became law
it would have a bad effect on the defense
program.

"You can't legislate a working man
into staying on a job if he wants to quit,"
Tobin argued. "And that's just what this
bill amounts to. It is neither constitutional
nor necessary. I realize that a strike can
be a serious hazard to the defense pro-
gram, but restrictive legislation against
unions isn't the answer.

"Furthermore, the mediation board
you have set up is performing splendidly.
It has settled every major strike turned
over to it without delay. What more can
Congress ask? Actually, this strike
situation isn't as serious as some anti-labor
congressmen want the country to believe.
They are making a big hullabaloo about
strikes for the real purpose of cracking
down on the workers."

When Tobin finished, the President,
who had been listening silently, remarked
quietly, "You needn't worry about the bill
becoming law, Dan."

Tobin is convinced that Roosevelt
meant he was ready to use his veto power
if that became necessary.

IRISH BASES

Tobin also urged the President to use
his influence to persuade Erie to make air
bases available to Britain.

"Some Irish-American friends," Tobin
said, "asked me to intercede with you to
send military supplies to Eire. I told them
that I felt Eire should make the first move
by turning over bases in Ireland to the
RAF."

"I was born in Ireland, but I am first
and always an American, and I believe it
would be in our interest as well as Britain's
to help the RAF get the bases."

LONELY DIPLOMATS

Representative Edith Nourse Rogers of
Massachusetts pricked up her ears when
family matters were mentioned in a House
Appropriations Committee hearing. The
State Department was asking for funds to
bring home on leave the junior members
of our foreign service.

"Are those clerks allowed to marry
foreign girls?" asked Mrs. Rogers.

The State Department spokesman said
they were, explaining that if they didn't
have a chance to get home once in a while
and meet American girls, the young diplo-
mats were very likely to marry foreigners.

"One advantage of this bill," said the
official, "is that it will give these young
men a better opportunity to marry Ameri-
can girls. You take a young fellow and
send him away 5,000 miles from home, and
(Continued on Page Eight)

—By— Charles F. Stewart

just starting an investigation of
production bottlenecks, strikes and
other stoppages. Labor's being
popularly blamed for a consid-
erable share in obstructiveness, but
management's coming in for a
sizeable proportion of public criti-
cism.

LITTLE PROFIT SEEN

Now, the industrialists' version
is that they're not due to make
much money on the strength of the
bargains they've concluded thus
far, and some say their concerns
will be lucky to break even.

That's as of this moment's writ-
ing.

What worries the industrial folk
more especially, however, is the
prospect, foreseen by them, that
their costs of operation will in-
crease very rapidly and formid-
ably. Their workers already de-
mand higher wages, as hinted at
by the current strike epidemic.
The tale of the strikers' employers
is that they can't stand it on the
basis of their existing contracts.
Besides, they think (or profess to
think) that a big bulge in the costs
of their raw materials is immin-
ent.

If their apprehensions are real-
ized, which they're dismally gam-
bling on, they predict that they
shortly will be losing financially
like fury.

The head of a big Atlantic ship-
building company was in Washing-
ton recently, negotiating with Di-
rector Bill Knudsen's Office of
Production Management. I can't
quote him by name, but he told

DIET AND HEALTH

Bovine Tuberculosis

By LOGAN CLENDENING, M. D.
I am in receipt of an extreme-
ly interesting letter from a woman
in Halifax, N. S. She writes, "The
cows in Hants County are being
tested for tuberculosis, and signa-
tures are needed to bring them to
this county. I opened the subject
at a church meeting and was
amazed at the reception I got.
They would rather risk the dis-

Dr. Clendingen will answer

only, and then only through
his column.

case than lose a cow. I have a
brother of 21, who has been in
bed nearly six years with bovine
tuberculosis. This neighborhood,
almost a man, reads the Hal-
ifax CHRONICLE and an article
on the subject seems to me to be
needed at the present time. Is it
possible for the reception I got.
They would rather risk the dis-

Government Inspection
It most certainly is possible for
human beings to contract bovine
tuberculosis. This was denied for
a long time, but there is no ques-
tion that the transmission occurs,
especially in children, resulting in
bone and joint tuberculosis, but it
also can cause tuberculosis of the
lungs.

The experience in the United
States with the U. S. Department
of Agriculture is a striking one.
Some years ago in such agricul-
tural and dairy states as Ne-
braska, the Dakotas and Utah,
the tuberculosis death rate was
very high. In 1906 the U. S. De-
partment of Agriculture estab-
lished governmental inspection of
meat, and discovered the terrible
inroads tuberculosis was making
in domestic animals.

In 1916 the United States be-
gan a campaign to eradicate tu-
berculosis in live stock and ordered
that all cattle which reacted to
the tuberculin test were to be
slaughtered. As a result of that
campaign in the same states of
Nebraska, the Dakotas and Utah,
the tuberculosis death rate is 15
per 100,000 population as com-
pared to the general death rate
in the country of 46.6. This re-
duction has been ascribed to the
wiping out of tuberculosis among
cattle.

Looking Back in Pickaway County

FIVE YEARS AGO
C. D. Kraft and Clarence Hel-
vering were named as delegates
to the Kiwanis Club to attend the
International Kiwanis convention
in Washington, D. C.

Announcement was made of
the marriage April 18 of Char-
lene Briggs to William Mace in
the Washington C. H. Method-
ist parsonage. Both are from
New Holland.

Pickaway County joined with
Fairfield and Perry Counties in
promoting a Rural Electrification
setup.

10 YEARS AGO
Simon Harrel of Pickaway
Township, near Mead, died today.

Mr. and Mrs. O. S. Mowery of
near Tairton celebrated their 25th
wedding anniversary.

Carolyn, daughter of Mr. and
Mrs. Karl J. Hermann, sang
on a kiddies program over sta-
tion WSEN, Columbus.

Announcement of the marriage
of Charles H. Weidinger of Cir-
cleville to Miss Florence M. Jack-
son of Huntsville, O., is being
made. The ceremony was read in
Adrian, Mich.

25 YEARS AGO
Mr. and Mrs. Sam Denman were
checked in as Circleville agent and
assistant agent for the Scioto Val-
ley Traction Co. by Agent George
Langley.

Honeymoon Gold

by PEGGY DERN
RELEASED BY CENTRAL PRESS ASSOCIATION

CHAPTER TWENTY-ONE
THINGS WERE not going so
well in the Gray Gull cottage. Mrs.
Edmonds was by no stretch of the
imagination given with housewife-
ly traits. To put it flatly, Mrs. Ed-
monds couldn't cook and she had
no desire to learn.

In a filmy, trailing crepe and lace
hostess gown, she made a pretty
play of setting the table. Mean-
while the major struggled man-
fully with can-opener and canned
food and eyed with hungry, disap-
pointed eyes the luscious looking
steak in the meat tray of the me-
chanical ice box.

"I'm really not hungry," prattled
his wife as she arranged dainty
lettuce leaves and dropped on
them spoonfuls of diced canned
fruit, then heaped over the whole a
gob of mayonnaise. "There are some
crackers—we'll toast them with
cheese—and there's milk—"

"But, honey-bunch, ANYBODY
can broil a steak!" pleaded the ma-
jor, recklessly.

She drew herself up, offended at
his tone. He saw her lips quiver,
and was certain that there was a
tear forming in her eye. Although
married less than a week, the ma-
jor had learned his stern signals.
"But, of course, we'll have the
steak tomorrow. I didn't really
want it tonight," he began hur-
riedly.

She set her full mouth in a thin,
hard line.

"Oh, yes, you do. And I'll cook
it for you—if it kills me," she told
him dramatically. "But I don't see
why you married ME if it was a
cook you wanted. I've TOLD you
I can't cook. How would I ever
learn, living in a hotel practically
all my life?"

She was making a great to-do
with the steak, shrinking daintily
from the contact of the red, smooth
meat, shuddering a little as her fin-
gers were bloodied by it; shoving
it under the flames in the oven with
a little gesture of distaste.

"I don't see how anybody can
possibly eat anything that looks so
horrid when it's raw!" she pro-
tested almost tearfully.

But the major, hungrily eyeing
the broiling meat, was for the first
time in their brief married life, a
little preoccupied in his attempts
at peacemaking.

The Flamingo cottage had been
assigned to June and Donald
Heath. A place of delicate colors
stolen from the plumage of the
lovely roseate flamingo whose
amazing grace so enchants the
tropical visitor. June loved the

Legion Auxiliary Plans Poppy Event, May 23, 24

Post To Prepare Dinner For Banquet

The annual Poppy Day of the auxiliary of Howard Hall post, American Legion, has been designated as May 23 and 24, the week end prior to Memorial Day, Mrs. B. T. Hedges, president of the auxiliary, announced Wednesday following the regular meeting of the auxiliary Tuesday evening in Memorial Hall. Mrs. Hedges will serve as chairman of the committee handling the Poppy sale.

This event is annually one of the auxiliary's major undertakings. The auxiliary has decided to serve the dinner for the annual Circleville High School Junior-Senior banquet which will be conducted May 29 in Memorial Hall with 150 persons expected to attend.

The group sent 580 cookies to the U. S. Veterans' Hospital, near Millcreek, during the last month. Erection of the sign for the American Legion Club was announced, the auxiliary presenting this sign to the Legion as a gift. The sign has been placed over the doorway leading to the club-rooms on North Court Street. The club will soon be opened for members of the post, the formal opening date not yet being announced.

Deercreek Garden Club
Fifty persons were present Tuesday evening to enjoy the Deercreek Garden Club's covered dish supper and excellent program. The supper was served in the Methodist Parish House and the program was conducted in the Christian Church.

Mrs. William Radcliff, president, appointed several committees during the business meeting, including one to sell flowers in Williamsport for Mother's Day, the personnel being Mrs. William Dunlap, Mrs. Robert S. Meyer, Mrs. W. D. Heiskell and Mrs. Andrew Schwarz; another to consider ways and means for replenishing the treasury, including Mrs. Walter Wright, Mrs. Earl Trego, Mrs. C. W. Hays and Mrs. Jesse Rose. And a third to plan decorations for the Methodist Church during its centennial celebration. This committee includes Mrs. Lee Luelien, Mrs. Meyer and Mrs. Charles Rose.

The program, presented by Mrs. F. G. Strickland, included violin music by Mrs. Gordon Dunkle of New Holland accompanied by Mrs. John T. Dick; vocal solos by Miss Mary Martha Hamman, accompanied by Miss Catherine Baum, and an address by Mrs. Richard Jones of Saltcreek Township on "Gardens of the South-east," in which she presented, in an entertaining manner, word pictures of some of the southeast's most beautiful show places. Other guests at the meeting included Mrs. Mack Noggle and Mrs. E. O. Crites of Circleville, Mrs. Gene Gildersleeve of Saltcreek Township, and Mr. and Mrs. Robert Smith of New Holland.

Phi Beta Psi
Mrs. Linden Baughman and Miss Jean Ferguson were named delegates to the state Phi Beta Psi convention to be held in Dayton, starting Saturday, May 3, when the sorority conducted its regular meeting in the clubrooms Tuesday evening. Miss Elizabeth Tolbert acted as hostess at the meeting.

The sorority discussed the Highway Department minstrel that it is presenting Friday evening in the High School Auditorium, the entertainment promising to be outstanding.

An interesting discussion of her work in child welfare was made by Mrs. Robert Adkins.

Eastern Star
An interesting meeting was conducted by the Circleville chapter. Order of Eastern Star Tuesday evening when two candidates were initiated. Over 60 members were in the group present, including a number of out-of-town guests.

During the business hour which was conducted by Mrs. F. K. Blair, worthy matron, invitations were read to attend the inspections of Kingston Chapter on April 23, Jeffersonville April 30 and Waverly on May 6. The chapter voted to accept the invitation to Southern Way Chapter, Columbus, to be their guests for

After the close of the chapter, a social hour followed and the members and guests were invited to the dining room where refreshments were served. The refreshment committee was comprised of Mrs. Leslie May, chairman; Mrs. Finis Heraldson; Mrs. Bryan Custer; Mrs. Fred Moeller and Mrs. George Welker.

Mrs. Blair appointed committee for the inspection, May 16, including:

REGISTRATION: Mrs. Sam Morris, Mrs. W. E. Hilyard and Frank Barnhill.

RECEPTION: Miss Bertha Valentine and all other past matrons and past patrons.

KITCHEN: Mrs. Ed Helwagen, chairman.

DINING ROOM: Mrs. A. J. Lyle, chairman.

DECORATIONS: Mrs. E. S. Shane, Mrs. Frank Bowling, Miss Reba Lee, Mrs. C. D. Bennett, Mrs. George Welker and Mrs. Harold Ullom.

CHAIRS, SEATING: Leslie Pontius, Sam Morris, Will G. Hamilton.

BREAKFAST: Mrs. Tom Accord, chairman.

Wayne P-T-A.
The Wayne Township Parent-Teacher Association will conduct its regular meeting Friday at 8 p. m. in the Wayne school, children of the school providing the program.

Anniversary Observed
Mr. and Mrs. O. S. Mowery of Saltcreek Township, near Tarlton, observed their thirty-fifth wedding anniversary recently a group of guests appeared at their Valley Home Farm to enjoy a dinner served cafeteria style, and to spend a social evening.

Including in the guest list were Mr. and Mrs. Robert Mowery and son, Robert, Mr. and Mrs. T. L. Pontius, Mr. and Mrs. Harold Pontius and daughter Barbara, Mr. and Mrs. C. A. Dunn, Mr. and Mrs. C. A. Wilson, Mr. and Mrs. Leland Yaple, Mr. and Mrs. E. F. Strous, Mr. and Mrs. Erving Beougher, Mr. and Mrs. Clyde Beougher, Mr. and Mrs. Judson Beougher and sons, Mr. and Mrs. George Jury and son Maurice, Mrs. M. L. Rife, Mrs. Jennie Mowery, Mrs. Helen Sprouse and son Robert, Mrs. Clara Macklin, Mrs. Myrtle Reichelderfer, Adam Reub, Mr. and Mrs. W. E. Luckhart and sons Max and David and Mr. and Mrs. Mowery, the host and hostess.

School Club To Meet
The Monroe Township School and Community Club has set May

1 for its next meeting, an election of officers and a shower being scheduled at that time. Mrs. Lloyd Neff is the president of the club.

Y. T. C. To Meet

The Youth Temperance Council will meet Friday at 7:30 p. m. in the United Brethren Parish House. Each member is to be accompanied by a prospective new member.

Luther League

About 25 members attended the Senior Luther League meeting Tuesday evening in Trinity Lutheran Parish House.

After the usual opening, the 23rd Psalm was read responsively and the minutes of the last meeting were read by Miss Margie Neff, secretary. Dues were taken by Miss Dorothy Wolfe, treasurer. The discussion concerned the planting of trees in front of the parish house, which has been completed, and painting of the parish house fire escapes, which has not yet been done.

The executive committee chose the following for the Hospice Committee: Mrs. Charles Walters, chairman; Mrs. Emma Martin, Mrs. John Himrod, William Barthelmas and Ned Dresbach. The first undertaking of this committee will be to choose Testaments to send to the boys in the various army camps.

With the summer season coming on it was decided to have a boys' baseball team and a girls' volleyball team. Joe Melvin is chairman of the boys' team and Miss Margaret Goode, chairman, with Misses Mary Wolf and Sara Jane Cook as assistants for the volleyball team.

It was decided to have a banquet for the fathers and mothers at the next regular session, both leagues to take part.

Group singing concluded the business hour.

After a delightful luncheon served by Mrs. Charles Walters, Misses Margaret Reid, Betty Barnes, Joe Melvin and Gladden Troutman, the league dismissed without an entertainment program to permit the men's chorus to practice for the Federation meeting at Lockbourne which both league are invited to attend. Members are to meet at the Parish House Sunday, April 27, at 2:30 p. m.

Twenty-Fifth Anniversary

Mr. and Mrs. Sherman Furniss of Clarksburg entertained Sunday on their twenty-fifth wedding anniversary. A dinner was served at the noon hour, centerpieces of the table being a large white cake decorated in pink and silver with 25 pink candles on it.

Several lovely gifts were received by the couple.

Enjoying the day were Mrs. William Furniss of Darbyville, Mrs. Margaret Adkins and children Robert, Pauline and Abigail of Ashville, Mr. and Mrs. Francis Furniss and children Harold and Mildred of Mount Sterling, Mr. and Mrs. Woodson Furniss and daughters Eileen and Gloria and Miss Nora Shoaf of Orient, Mr. and Mrs. Don Maddux and son Dale, Mr. and Mrs. Russell Furniss and daughter Janet of Clarksburg and Mr. and Mrs. Furniss and daughter Freda and son Don.

Entertain At Dinner

Mr. and Mrs. Alva Johnson of Walnut Township entertained at dinner Saturday for Mr. and Mrs. Herman Kuhlwein and son Lewis

Three To Attend Baha'i Convention In Wilmette

Mrs. Blanche Motschman, Mrs. J. O. Eagleson and Mrs. W. W. Robinson will leave Thursday for Wilmette, Illinois, to attend the thirty-third annual convention of the Baha'is of the United States and Canada, to be held in the Baha'i House of Worship in that city.

This convention will be attended by delegates and friends from the United States, Canada, Hawaiian Islands, Central and South America.

This Convention comes at a time when the Baha'is of the United States and Canada are able to record substantial progress in carrying their faith to the Republics of Central and South America.

The election of nine member to the National Spiritual Assembly of the United States and Canada will be held at mid-point of the convention. A memorial service for Hyde Dunn, who recently died, will be held at one morning session. Born in the United States, Mr. Dunn and his wife became inspired with the Baha'i vision of a new civilization, left their native home and settled in Australia establishing the faith on that continent.

The Convention will continue until Sunday, April 27, when a meeting will be held for the public at 8 p. m.

Dr. and Mrs. B. R. Bales, West Main Street, returned to Circleville Tuesday night after spending the winter at Marathon, Fla. The doctor reported excellent success in his search for rare shells despite a cool winter.

Nearly 300 At Grange Gathering

Nearly 300 persons were present Tuesday evening at the Monroe Township school when Star Grange was host at a traveling program presented by Nebraska Grange. The meeting was an outstanding one in every respect.

C. M. Reid, master of Star Grange, welcomed the visitors and recognized the various masters of other granges present.

The interesting program was in charge of Mrs. Carl D. Bennett. It included several outstanding musical numbers and other features.

Refreshments were served at the close of the meeting.

The next traveling program will be May 13, Star Grange presenting the program at Saltcreek Valley Grange.

Mrs. Walter Shaffer, who has been spending the winter at St. Cloud, Fla., with Mr. Shaffer, remains ill at her winter home. Mr. Shaffer writes that she has been bedfast during recent weeks.

Miss Joy Hargrove of New York City is a house guest of Miss Katherine Foresman, South Court Street.

of Stoutsville. The occasion marked the Johnsons twenty-third wedding anniversary and Mrs. Kuhlwein's birthday.

Other guests were Mr. and Mrs. Raymond Hott and son Larry of Robtown and Dwight Johnson. Other relatives and friends from Columbus called in the afternoon.

Personals

Mr. and Mrs. C. A. Weldon of South Court Street left Wednesday for a sojourn in Atlantic City, N. J.

Postmaster Hulse Hays of Circleville expected to attend a district conference of postmasters scheduled Wednesday afternoon in Lancaster.

Sam Groom, South Washington Street, and his daughter Mrs. W. B. Thomas, left Circleville Wednesday for a visit with Mr. Groom's son, Frank, in Peoria, Ill.

Mrs. John Corbett of Grosse Pointe, Mich., is a guest at the home of her mother, Mrs. James I. Smith, East Union Street.

Mr. and Mrs. Hartley Wilson of Walnut Street had as recent guests Mr. and Mrs. Robert L. Wilson of Ventura, Cal.

Mr. and Mrs. Robert Goodchild and two daughters have returned to their home in Athens after a week's visit with Mr. Goodchild's

FEMALE PAIN

Women who suffer pain of irregular periods with crampy nervousness due to monthly functional disturbances should find Lydia E. Pinkham's Vegetable Compound simply marvelous to relieve such distressing feelings and thus help them go smiling thru such "difficult days." Over 1,000,000 women have reported remarkable benefits. Try it!

parents, Mr. and Mrs. George O. Goodchild, Washington Township. Accurate bookkeeping and mathematics generally are inborn in the Chinese.

The gem that speaks of voiceless things

Perhaps it is too much to say that the deepest, most tender thoughts of man must forever go unspoken. But few indeed are those who say the things they feel most deeply. For them expression takes a subtler course than words. Fleeting in the delicate scent of flowers... lastingly in the deathless fire of the diamond ring placed upon her finger.

IF YOU AND I CAN'T FIND A NAME FOR THE BABY, MAYBE SOMEBODY ELSE CAN!

Name Blondie's Baby - and win \$100

Blondie and Dagwood (including Baby Dumpling) have tried awfully hard to find a suitable name for the new baby girl. But they just can't agree for one that's nice enough for her. Will you help? Just think of a name, write it down on a postcard or a piece of paper and mail it, with a short sentence why you think it's the right name for her. If your name is chosen by the four judges — Chic Young, Beatrice Fairfax, Inez Robb and Dr. A. R. Dafoe, doctor of the famous Quintuplets, you will receive \$100.

HERE ARE THE SIMPLE RULES. READ THEM CAREFULLY, PLEASE

- (1) — Print or write plainly on a piece of paper your choice of a name for Blondie's baby daughter and complete this sentence, "I think this name is suitable for the baby because..." The sentence should contain not more than 25 words.

Legion Auxiliary Plans
Poppy Event, May 23, 24

Post To Prepare
Dinner For
Banquet

The annual Poppy Day of the Auxiliary of Howard Hall post, American Legion, has been designated as May 23 and 24, the week end prior to Memorial Day, Mrs. B. T. Hedges, president of the Auxiliary, announced Wednesday following the regular meeting of the auxiliary Tuesday evening in Memorial Hall. Mrs. Hedges will serve as chairman of the committee handling the Poppy sale. This event is annually one of the auxiliary's major undertakings.

The auxiliary has decided to serve the dinner for the annual Circleville High School Junior-Senior banquet which will be conducted May 29 in Memorial Hall with 150 persons expected to attend.

The group sent 580 cookies to the U. S. Veterans' Hospital, near Chillicothe, during the last month.

Erection of the sign for the American Legion Club was announced, the auxiliary presenting this sign to the Legion as a gift. The sign has been placed over the doorway leading to the clubrooms on North Court Street. The club will soon be opened for members of the post, the formal opening date not yet being announced.

Deercreek Garden Club

Fifty persons were present Tuesday evening to enjoy the Deercreek Garden Club's covered dish supper and excellent program. The supper was served in the Methodist Parish House and the program was conducted in the Christian Church.

Mrs. William Radcliff, president, appointed several committees during the business meeting, including one to sell flowers in Williamsport for Mother's Day, the personnel being Mrs. William Dunlap, Mrs. Robert S. Meyer, Mrs. W. D. Heskell and Mrs. Andrew Schwarz; another to consider ways and means for replenishing the treasury, including Mrs. Walter Wright, Mrs. Earl Trego, Mrs. C. W. Hays and Mrs. Jesse Rose. And a third to plan decorations for the Methodist Church during its centennial celebration. This committee includes Mrs. Lee Luelien, Mrs. Meyer and Mrs. Charles Rose.

The program, presented by Mrs. F. G. Strickland, included violin music by Mrs. Gordon Dunkle of New Holland accompanied by Mrs. John T. Dick; vocal solos by Miss Mary Martha Hamman, accompanied by Miss Catherine Baum, and an address by Mrs. Richard Jones of Saltcreek Township on "Gardens of the South-east," in which she presented, in an entertaining manner, word pictures of some of the southeast's most beautiful show places.

Other guests at the meeting included Mrs. Mack Noggle and Mrs. E. O. Crites of Circleville, Mrs. Gene Girdersleeve of Saltcreek Township, and Mr. and Mrs. Robert Smith of New Holland.

Phi Beta Psi

Mrs. Linden Baughman and Miss Jean Ferguson were named delegates to the state Phi Beta Psi convention to be held in Dayton starting Saturday, May 3, when the sorority conducted its regular meeting in the clubrooms Tuesday evening. Miss Elizabeth Tolbert acted as hostess at the meeting.

The sorority discussed the Highway Department minstrel that it is presenting Friday evening in the High School Auditorium, the entertainment promising to be outstanding.

An interesting discussion of her work in child welfare was made by Mrs. Robert Adkins.

Eastern Star

An interesting meeting was conducted by the Circleville chapter, Order of Eastern Star Tuesday evening when two candidates were initiated. Over 60 members were in the group present, including a number of out-of-town guests.

During the business hour which was conducted by Mrs. F. K. Blair, worthy matron, invitations were read to attend the inspection of Kingston Chapter on April 23, Jeffersonville April 30 and Waverly on May 6. The chapter voted to accept the invitation to Southern Way Chapter, Columbus, to be their guests for

Mrs. Blair appointed committee for the inspection, May 16, including:

REGISTRATION: Mrs. Sam Morris, Mrs. W. E. Hilyard and Mrs. Frank Barnhill.

RECEPTION: Miss Bertha Valentine and all other past matrons and past patrons.

KITCHEN: Mrs. Ed Helwigen, chairman.

DINING ROOM: Mrs. A. J. Lyle, chairman.

DECORATIONS: Mrs. E. S. Shane, Mrs. Frank Bowling, Miss Reba Lee, Mrs. C. D. Bennett, Mrs. George Welker and Mrs. Harold Ullom.

CHAIRS, SEATING: Leslie Pontius, Sam Morris, Will G. Hamilton.

BREAKFAST: Mrs. Tom Acord, chairman.

Wayne P-T-A.

The Wayne Township Parent-Teacher Association will conduct its regular meeting Friday at 8 p. m. in the Wayne school, children of the school providing the program.

Anniversary Observed

Mr. and Mrs. O. S. Mowery of Saltcreek Township, near Tarlton, observed their thirty-fifth wedding anniversary recently a group of guests appeared at their Valley Home Farm to enjoy a dinner served cafeteria style, and to spend a social evening.

Including in the guest list were Mr. and Mrs. Robert Mowery and son, Robert, Mr. and Mrs. T. L. Pontius, Mr. and Mrs. Harold Pontius and daughter Barbara, Mr. and Mrs. C. A. Dumm, Mr. and Mrs. C. A. Wilson, Mr. and Mrs. Leland Yapple, Mr. and Mrs. E. F. Strous, Mr. and Mrs. Erving Beougher, Mr. and Mrs. Clyde Beougher, Mr. and Mrs. Judson Beougher and sons, Mr. and Mrs. George Jury and son Maurice, Mrs. M. L. Rife, Mrs. Jennie Mowery, Mrs. Helen Sprouse and son Robert, Mrs. Clara Macklin, Mrs. Myrtle Reichelderfer, Adam Reub, Mr. and Mrs. W. E. Luckhart and sons Max and David and Mr. and Mrs. Mowery, the host and hostess.

School Club To Meet

The Monroe Township School and Community Club has set May

1 for its next meeting, an election of officers and a shower being scheduled at that time. Mrs. Lloyd Neff is the president of the club.

Y. T. C. To Meet

The Youth Temperance Council will meet Friday at 7:30 p. m. in the United Brethren Parish House. Each member is to be accompanied by a prospective new member.

Luther League

About 25 members attended the Senior Luther League meeting Tuesday evening in Trinity Lutheran Parish House.

After the usual opening, the 23rd Psalm was read responsively and the minutes of the last meeting were read by Miss Margie Neff, secretary. Dues were taken by Miss Dorothy Wolfe, treasurer.

The discussion concerned the planting of trees in front of the parish house, which has been completed, and painting of the parish house fire escapes, which has not yet been done.

The executive committee chose the following for the Hospice Committee: Mrs. Charles Walters, chairman; Mrs. Emma Martin, Mrs. John Himrod, William Barthelmas and Ned Dresbach. The first undertaking of this committee will be to choose Testaments to send to the boys in the various army camps.

With the summer season coming on it was decided to have a boys' baseball team and a girls' volleyball team. Joe Melvin is chairman of the boys' team and Miss Margaret Goode, chairman, with Miss Mary Wolf and Sara Jane Cook as assistants for the volleyball team.

It was decided to have a banquet for the fathers and mothers at the next regular session, both leagues to take part.

Group singing concluded the business hour.

After a delightful luncheon served by Mrs. Charles Walters, Misses Margaret Reid, Betty Barnes, Joe Melvin and Gladden Troutman, the league dismissed without an entertainment program to permit the men's chorus to practice for the Federation meeting at Lockbourne which both league are invited to attend. Members are to meet at the Parish House Sunday, April 27, at 2:30 p. m.

Twenty-Fifth Anniversary

Mr. and Mrs. Sherman Furniss of Clarksburg entertained Sunday on their twenty-fifth wedding anniversary. A dinner was served at the noon hour, centerpieces of the table being a large white cake decorated in pink and silver with 25 pink candles on it.

Several lovely gifts were received by the couple.

Enjoying the day were Mrs. William Furniss of Darbyville, Mrs. Margaret Adkins and children Robert, Pauline and Abigail of Ashville, Mr. and Mrs. Francis Furniss and children Harold and Mildred of Mount Sterling, Mr. and Mrs. Woodson Furniss and daughters Eileen and Gloria and Miss Nora Shoaf of Orient, Mr. and Mrs. Don Maddux and son Dale, Mr. and Mrs. Russell Furniss and daughter Janet of Clarksburg and Mr. and Mrs. Furniss and daughter Freda and son Don.

Entertain At Dinner

Mr. and Mrs. Alva Johnson of Walnut Township entertained at dinner Saturday for Mr. and Mrs. Herman Kuhlwein and son Lewis

Dr. and Mrs. B. R. Bales, West Main Street, returned to Circleville Tuesday night after spending the winter at Marathon, Fla. The doctor reported excellent success in his search for rare shells despite a cool winter.

Three To Attend Baha'i
Convention In Wilmette

Mrs. Blanche Motschman, Mrs. J. O. Eagleson and Mrs. W. W. Robinson will leave Thursday for Wilmette, Illinois, to attend the thirty-third annual convention of the Baha'is of the United States and Canada, to be held in the Baha'i House of Worship in that city.

This convention will be attended by delegates and friends from the United States, Canada, Hawaiian Islands, Central and South America.

This Convention comes at a time when the Baha'is of the United States and Canada are able to record substantial progress in carrying their faith to the Republics of Central and South America.

The election of nine member to the National Spiritual Assembly of the United States and Canada will be held at mid-point of the convention. A memorial service for Hyde Dunn, who recently died, will be held at one morning session. Born in the United States, Mr. Dunn and his wife became inspired with the Baha'i vision of a new civilization, left their native home and settled in Australia establishing the faith on that continent.

The Convention will continue until Sunday, April 27, when a meeting will be held for the public at 8 p. m.

Big Crowd
Expected
At Dance

A gala event is scheduled in Memorial Hall Wednesday evening when the third annual Policeman's and Fireman's Ball sponsored by the Kiwanis Club is conducted. A part of the proceeds of the event will be put aside toward the purchase of a resuscitator.

Dan McClain, of the Kiwanis Club, who is chairman of the Ball, looks for the largest crowd in the event's history. Advance ticket sales have been large with policemen, firemen and Kiwanians reporting splendid success.

Dancing will be to the tune of Earl Hood's fine orchestra, the unit coming to Circleville directly from Valley Dale where it has been playing a lengthy engagement. A floor show will be presented, too, during the evening.

**Nearly 300
At Grange
Gathering**

Nearly 300 persons were present Tuesday evening at the Monroe Township school when Star Grange was host at a traveling program presented by Nebraska Grange. The meeting was an outstanding one in every respect.

C. M. Reid, master of Star Grange, welcomed the visitors and recognized the various masters of other granges present.

The interesting program was in charge of Mrs. Carl D. Bennett. It included several outstanding musical numbers and other features.

Refreshments were served at the close of the meeting.

The next traveling program will be May 13, Star Grange presenting the program at Saltcreek Valley Grange.

Miss Joy Hargrove of New York City is a house guest of Miss Katherine Foresman, South Court Street.

of Stoutsville. The occasion marked the Johnsons twenty-third wedding anniversary and Mrs. Kuhlwein's birthday.

Other guests were Mr. and Mrs. Raymond Hott and son Larry of Rohtown and Dwight Johnson. Other relatives and friends from Columbus called in the afternoon.

Personals

Mr. and Mrs. C. A. Weldon of South Court Street left Wednesday for a sojourn in Atlantic City, N. J.

Postmaster Hulse Hays of Circleville expected to attend a district conference of postmasters scheduled Wednesday afternoon in Lancaster.

Sam Groom, South Washington Street, and his daughter Mrs. W. B. Thomas, left Circleville Wednesday for a visit with Mr. Groom's son, Frank, in Peoria, Ill.

Mrs. John Corbett of Grosse Pointe, Mich., is a guest at the home of her mother, Mrs. James I. Smith, East Union Street.

Mr. and Mrs. Hartley Wilson of Walnut Street had as recent guests Mr. and Mrs. Robert L. Wilson of Ventura, Cal.

Mr. and Mrs. Robert Goodchild and two daughters have returned to their home in Athens after a week's visit with Mr. Goodchild's

FEMALE PAIN

Women who suffer pain of irregular periods with crampy nervousness due to monthly functional disturbances should find Lydia E. Pinkham's Vegetable Compound simply marvelous to relieve such distress. Pinkham's Compound is made especially for women to relieve such distressing feelings and thus help them go smiling thru such "difficult days." Over 1,000,000 women have reported remarkable benefits. Try it!

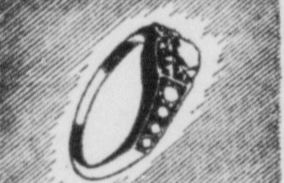

parents, Mr. and Mrs. George O. Goodchild, Washington Township. Accurate bookkeeping and mathematics generally are inborn in the Chinese.

The gem that
speaks of
voiceless things

Perhaps it is too much to say that the deepest, most tender thoughts of man must forever go unspoken. But few indeed are those who say the things they feel most deeply. For them expression takes a subtler course than words. Fleeting in the delicate scent of flowers . . . lastingly in the deathless fire of the diamond ring placed upon her finger.

Let us help you choose the stone within your means most worthy of its lifelong mission. Come in and see how color, cutting, degree of perfection as much as carat weight affect the value of every diamond.

\$25.00 to \$500.00

Name Blondie's Baby
- and win \$100

Blondie and Dagwood (including Baby Dumpling) have tried awfully hard to find a suitable name for the new baby girl. But they just can't agree for one that's nice enough for her. Will you help? Just think of a name, write it down on a postcard or a piece of paper and mail it, with a short sentence why you think it's the right name for her. If your name is chosen by the four judges — Chic Young, Beatrice Fairfax, Inez Robb and Dr. A. R. Dafoe, doctor of the famous Quintuplets, you will receive \$100.

YOU can win

It costs you nothing

HERE ARE THE SIMPLE RULES. READ THEM CAREFULLY, PLEASE

(1) — Print or write plainly on a piece of paper your choice of a name for Blondie's baby daughter and complete this sentence, "I think this name is suitable for the baby because" The sentence should contain not more than 25 words.

(2) — Do not enter more than one name and one sentence in this contest.

(3) — To be eligible entries must be mailed before midnight, Wednesday, April 30, 1941, to P. O. Box 6, Grand Central Annex, New York City.

(4) — Neatness, suitability and originality of thought and expression, as well as the name, will be the determining factors in awarding the prize of \$100.

(5) — Any resident of the United States or Canada may compete, with the exception of employees of this paper or members of their families.

(6) — The prize will be awarded as soon after April 30th as the judging has been finished. Duplicate prizes will be awarded in case of ties. The decision of the judges is final. The judges are Chic Young, Beatrice Fairfax, Inez Robb and Dr. A. R. Dafoe.

U. S. BELIEVES JOHN BULL WILL NEVER GIVE UP

Washington Maintains That Britain Will Eventually Be Victorious

(Continued from Page One)

that this ever-growing aid will give England air superiority by 1942 after which the trend of victory will swerve from Hitler's cause to that of Great Britain. Officials were highly encouraged when American long-range bombers proved successful in recent raids on Berlin.

Private sources within the administration meanwhile insist that President Roosevelt does not now contemplate the use of U. S. naval vessels to protect merchant convoys in the Atlantic. It is no secret that U. S. destroyers and coast guard cutters are maintaining "protective surveillance" over American and British merchantmen in the waters off the Atlantic shores, possibly even out to the 1,000 mile limit, but officials staunchly insist that these patrols are not doing convoy duty.

High administration spokesmen also declare that the government has no idea of declaring war on Germany or of sending another American Expeditionary Force to Europe. High military authorities ridicule the idea of an expeditionary force, joining with many congressional leaders in asserting that it would be impossible to land American troops in Europe under present circumstances.

May Send Crews

Some military officials, however, hint that the day may come when United States Army and Navy aviators, plus ground crews, might be sent to England to help operate the ever-increasing number of American planes loaned or leased to Britain. At present, they add, England has no need of American aviators as the Canadian training camps are providing a full supply of airmen and ground crews.

One phase of the European situation frankly worries both American military and civilian officials. It is the constant recurrence of Hitler coups, without advance warning to the United States and apparently without advance knowledge by the British. The coups began when Hitler conquered Poland in 18 days, though information obtained previously by the United States was that Poland could resist the Germans successfully for months. The coups have included the Russo-German alliance, the recent Russo-Japanese non-aggression pact, and the Hitler blitz in Yugoslavia.

But the highest officials will not discuss the administration's program if Hitler should win in Europe. The belief prevails in informed quarters that if Hitler should capture England by invasion or force its capitulation by starvation, the Churchill government will move to Canada and carry on with its great war fleet from there. If this should happen, officials say, the United States will continue to aid Britain and will join with her in defending the Western Hemisphere against invasion.

GENERAL MOTOR STRIKE NEAR AS NOTICE EXPIRES

DETROIT, April 23—With a five day strike notice deadline expiring at 1:30 p. m. and the union adopting a hostile attitude toward a state labor board ruling that a 30-day strike notice is in effect, a showdown neared today between the UAW-CIO and General Motors Corporation.

Anticipating there may be a strike in 61 GM plants employing 161,000 persons, the state labor board asked Gov. Murray D. Van Wagoner to set up a special mediation board to act, such as that established during the recent UAW-CIO strike at the Ford Motor Company Rouge plant.

Union President R. J. Thomas and Walter Reuther, GM organizing director for the UAW-CIO, rejected the labor board 30-day ruling on the assertion that in the event of a strike, GM plants engaged in work on \$750,000,000 in defense materials will not be affected and thus only a five day notice was in order.

SLOW DRIVER IN DANGER ON DELAWARE HIGHWAYS

DOVER, Del., April 23—From today on, the "slowpoke" driver is an outlawed creature on Delaware highways.

Gov. Walter W. Bacon signed a bill squelching the dawdling motorist who frequently is termed a cause of accidents because he holds up traffic on crowded roads. Other drivers are forced to take chances to get by him, it was pointed out.

The new law also increases the speed limit on Delaware's dual highway from 45 to 55 miles an hour.

Mainly About People

ONE MINUTE PULPIT
Greater love hath no man than this, that a man lay down his life for his friends.—St. John 15:13.

E. O. Ricketts, prominent Columbus attorney, who is widely known among lawyers in Central Ohio, died Tuesday in Columbus. Mr. Ricketts had appeared in Pickaway County courts many times. He and Max C. Seyfert, Circleville, and Judge John F. Siedel were associated in the Dr. John Snook case 10 years ago.

Herbert Ruff of Amanda has been elected president of the Fairfield County Farm Bureau succeeding John Mondhank. Mr. Ruff is a dealer in hybrid seed corn.

Funeral services were held in Chillicothe Wednesday afternoon for Thomas King Wilson, 88, who died Monday after an extended illness. Mr. Wilson was draft board chairman in Ross County during the World War. He was related to the Lewis, Clarke and Barrere families of Circleville.

There will be a fried chicken supper at the Second Baptist Church, West Mill Street, Thursday, April 24. Start serving at 5:30. Price 50c.—ad.

Junior Fair Board members will meet Wednesday evening in the office of Superintendent George McDowell to formulate plans for the 1941 Pumpkin Show.

Phi Beta Psi sorority will sponsor a charity minstrel "Highway Minstrels" by Division 6 Highway Department Employees, at the High School, Friday, April 25th at 8:15. Adults 25c, children 15c.—ad.

Dr. G. D. Phillips was in Columbus Wednesday where he attended a state dental meeting at Ohio State University.

The senior class of Jackson Township School is planning a comedy, "Watch Out for Spooks", to be presented Friday evening.

Administrator Sale of Susan D. Dunkle Estate, Saturday. See ad on classified page.—ad.

BRICKER USES VETO POWER ON RURAL ROAD ACT

COLUMBUS, April 23—Governor Bricker today exercised the veto power for the first time on a bill passed by the 94th general assembly. He returned to the legislature, unsigned, the bill of Rep. Titus B. Johnston (R-Defiance) which would have authorized township trustees to construct roads at a cost not exceeding \$3,000 a mile by contract or "force account" without receiving competitive bids.

BRIDEGROOM WOUNDS HIS CHILD WIFE, KILLS SELF

PHILADELPHIA, April 23—Apparently in despair because the bride's parents would not let him see her, Benjamin Longo, 21, wounded his 14-year-old child bride, police said, and killed himself early today in a "suicide pact."

Longo's body was found in Loney League Island Park in southernmost Philadelphia, shortly after the girl, Yolanda Goglia, 14, hailed a motorist nearby and was taken to Methodist Hospital.

Police found a revolver beside Longo, detectives said the couple had been married February 27 but that Yolanda's parents, ignorant of the fact, had kept her from Longo, who lost his job last week. Physicians said the girl was in good condition despite the wound.

YOUTH NAMED TO FILL COUNTY'S DRAFT CALL

Harvey Leroy Johnson, colored, Circleville, will fill Pickaway County's first official mail call, Selective Service officials said Wednesday. He will report for service May 13.

Draft officials Wednesday received notice from the Appeal Board in Chillicothe that the local board had been upheld on its seventh consecutive appeal. The appeal was made on the grounds of dependency, the registrant's mother maintaining that she was dependent on her son for a living. The local board has had no reversal.

SEE NORGE BEFORE YOU BUY

MAN PAYING \$11 ON INCOME MAY BE CHARGED \$72

Morgenthau Drafts Bill That Will Alter All Forms of Payment

(Continued from Page One)

Jewelry tax; telephone bills, 5 percent; passenger transportation 5 percent; candy, chewing gum, 5 percent; sporting goods, 10 percent; safe deposit box, 11 to 30 percent; phonographs and phonograph records, 10 percent; playing cards 15 cents; musical instruments, 10 percent; trunks, luggage, 10 percent; clocks, watches, 10 percent; photograph apparatus, 10 percent; mechanical refrigerators, 10 percent; radio sets, 10 percent; tires, tubes, 5 and 9 cents a pound.

The proposed corporation tax increase is five percent on corporations making less than \$25,000 a year and six percent on those making more, with the tax being listed a surtax so that tax-exempt securities would be taxable.

Sharp boosts in excess profits, estate and gift taxes also are in prospect for the taxpayer.

WAR TODAY

(Continued from Page One)

force in Albania there were eight out of a total of fourteen of Greece's first-line divisions as well as numerous formations of less experienced troops. What they did to the Italians in six months' war had made history.

While the surrender of the Greek left flank armies was throwing open the entire west coast of Greece as far as the gulf of Corinth to German penetration, Greek and British soldiers in the east were fighting desperate delaying actions as they retreated rapidly southward before the Germans along the principal Greek railroad and highway leading towards Athens and its port of Piraeus.

One German armored column slicing eastward was reported to have reached the Aegean at Volos and another to have appeared at the entrance of the historic pass of Thermopylae where Leonidas and his 300 Spartans died fighting for Greece more than 2,000 years ago.

If these reports prove true, it would appear that the retreating allied columns have been cut into three sections, to be hammered to pulp separately in accordance with the German army's formula. Meanwhile, according to reports, King George and his cabinet have evacuated Athens for Crete while British and Greek battalions march aboard transports under a pitiless rain of German bombs. Only question seems to be how many can be saved from the debacle.

Fundamental cause for the quick collapse of the Allied cause in Greece was the small size and inadequate equipment of the British Expeditionary Force. When British troops were being landed, dispatches referred to a force of more than 300,000 men. This would have been few enough, but it appears that only a small fraction of that number actually disembarked at Greek ports.

COUNTY REPORTS CHECK SENT BY STATE OFFICE

A check for \$37,908, Pickaway County's share of 1941 automobile license revenues and the gasoline tax fund, was received at the county auditor's office Wednesday.

Of the total amount, \$7,500 will go into the county road fund and \$24,745 into the auto tax fund to be used for road repair purposes. Distribution among the corporations, according to the state report is: Ashville, \$712.15; Circleville, \$4,000; Commercial Point, \$175; New Holland, \$337.50; South Bloomfield, \$50; Tarlton, \$75 and Williamsport, \$312.50.

Total state distribution of \$9,941.378, was made to cities and counties of Ohio, according to Hal G. Sours, director of the Ohio department of highways. The sum represents 60 percent of the total 72 percent of the tag revenues which the cities and counties will receive in 1941, Cylon W. Wallace, registrar of motor vehicles, said.

PLYMOUTH RAID CAUSES HEAVY CASUALTY LIST

LONDON April 23—Causing widespread damage and a heavy casualty list, waves of Nazi raiders pounded the southeastern English seaport and naval base of Plymouth.

Simultaneously it was revealed that the American embassy in London was slightly damaged during one of the recent terrific air raids on the British capital. Two of the embassy's windows were blasted by bomb bursts.

During the attack on the southwestern town, waves of raiders poured tons of high explosives and thousands of incendiary bombs as well as parachute flares on the city, concentrating on fierce fires which soon became a wall of flame.

Private homes and business dwellings were wrecked along with churches, hospitals and motion picture theatres. Bombs howled down around rescue workers as they struggled to dig out persons trapped in wrecked public shelters which suffered direct hits.

MRS. MARTHA KISER, 89, DIES; RITES THURSDAY

Mrs. Martha Kiser, 89, died Tuesday at 4:15 p. m. at the home of Melvin Wolf, 381 Weldon Avenue, after being ill since Easter Sunday.

Mrs. Kiser was a daughter of Daniel and Jane Wright Householder.

Survivors include two grandsons, Clyde Valentine of Columbus and Sterling Valentine of Cleveland.

The funeral will be Thursday at 3 p. m. at the Albough Chapel, the Rev. R. T. Kelsey officiating, with burial in Forest Cemetery.

TWO CARS COLLIDE AT PICKAWAY, WATT CORNER

Russell Young, Stoutsville, and Arthur Kadel, 115 East Water Street, collided automobiles at Watt and Pickaway Streets Wednesday morning. According to Patrolman Elmer Merriman, investigating officer, Young was going west on Watt Street and Kadel south on Pickaway. Young allegedly failing to stop for the stop sign at the intersection.

Damage to Kadel's front fender was estimated at \$7, which Young agreed to pay.

CONDEMNED MAN DIES

COLUMBUS, April 23—Under sentence to die in the electric chair, Joseph Carl, 52-year-old Clinton County Negro who was given a 30-day reprieve by Governor Bricker last Friday, died in the prison hospital during the night. It was announced today. Carl had been suffering from pulmonary tuberculosis.

Sandwich Grill Looted During Night; Screen Removed

Thieves broke into the Sandwich Grill, North Court Street, Tuesday night and stole \$12.65 in change. Police Chief William McCrady reported.

The intruder removed a screen and crawled through a back window, the police chief said. No apprehension had been made Wednesday.

COAL OPERATORS RESUME CONFAB AFTER F. D. PLEA

NEW YORK, April 23—Southern Appalachian bituminous operators and the CIO's United Mine Workers planned to renew negotiations today in an effort to meet President Roosevelt's appeal to end the 23-day-old stoppage of 400,000 miners in the nation's soft coal fields.

Although no agreement was reached at a two-hour conference last night the first to be held since the southerners bolted the joint Appalachian conference April 11, Dr. John R. Steelman, director of the Federal Conciliation Service, said the meeting was "very friendly."

FORESMAN ESTATEBF

Estate of Mrs. Harriet M. Foreman, Circleville, has been appraised at \$47,253. Probate Court officials reported Wednesday. Of the total appraisement, \$41,863 comprises a 439 acre farm, commonly known as the Tecumseh Mill Farm, in Harrison Township. Appraisers of the estate were John G. Boggs, Charles Gilmore and J. D. Hummel, all of Circleville. Inheritance tax on the property is \$359.38.

FORECLOSURES FILED

Three foreclosures on delinquent tax properties were filed in Common Pleas court Wednesday by Prosecutor George Gerhardt. The cases include the property of Daniel Weldon Heffner, Washington Township, Jennie Leist et al., Circleville, and T. Marjorie Walston Wells, Williamsport. Unless the delinquent taxes are paid by Saturday, orders for sheriff's sales will be filed, court officials said.

50 YEARS OF PRACTICE

LYNN, Mass.—Fifty years ago Mrs. Joanna Ober Barstow started regular piano practice. She celebrated her 90th birthday by sitting down and playing her exercises as usual.

LONDON HEARS NAZIS IN ATHENS

(Continued from Page One)

which the British sought to retreat, it was announced.

Sweeping southwards towards Athens, Nazi troops captured large quantities of British and Greek war-materials and inflicted heavy losses on Anzac troops. Large numbers of prisoners were taken.

Incessant German air attacks on transport ships also were announced.

Stuka dive-bombers, German quarters said, sank four transport ships aggregating 12,000 tons and damaged nine others, totalling 30,000 tons, at Patras Harbor.

All of these destroyed or crippled vessels, they said, had been destined to evacuate British troops.

Highway Blocked

According to German circles disaster overwhelmed the British Expeditionary Force after a German "blitz" thrust by Panzer units working in cooperation with the Luftwaffe blocked the road south to Athens and compelled the retreating British to turn about and fight.

While this was going on, these circles said, other German Panzer columns rushed still further south.

By tonight, German authorities indicated, it may be known whether the German forces will enter Athens immediately or whether the Greeks there will be given an opportunity to capitulate.

The fury of the German air hunt for British transports, German quarters added, indicated the extent of the British debacle. They declared that even if a large portion of the B. E. F. managed to get aboard these vessels, it is now "fairly evident that only a minor fraction safely escaped."

At the moment it remained uncertain what man-power and equipment the British Expeditionary Force has lost in Greece.

It is known only that the British smashed some of their own equipment in their retreat and that the German air force destroyed much more, while the Greeks were said to have "occasionally salvaged some pieces."

Annihilation of the British rear guard at Thermopylae also "broke the Grecian rear," German authorities declared.

It was believed that the Hellenic Epirus Army of about 18 divisions—approximately 250,000 troops—which surrender will be treated leniently in accordance with Chancellor Hitler's orders and will be released in the near future.

Lack of specific information regarding the situation at Athens led to belief in Berlin that the Greek government has departed, leaving only military officials in charge.

It was believed possible that a Greek move for an armistice already is under way, but German authorities said it was even more likely that a wholesale Greek surrender will take place.

COLUMBUS MAN, ADMITS GUILT, GOES TO PRISON

Clayton Taylor, Columbus, held in County Jail pending his jury trial Monday on charges of burglary and larceny, entered a plea of guilty before Judge Meeker Terwilliger, Wednesday, and was sentenced to one to fifteen years in Ohio State Penitentiary. He will be taken to Columbus, Thursday by sheriff's officers.

Taylor, indicted by the grand jury was charged with Kenneth Brunson, also of Columbus, with stealing approximately 780 pounds of wheat from farmers in Pickaway County. Brunson pleaded not guilty to the charges following his indictment and remains in County Jail.

Another person indicted by the grand jury, Leroy Phillips, formerly of Circleville and now working in Washington C. H., was arraigned before the judge Wednesday on two separate charges. Phillips pleaded not guilty to a charge of issuing a check with insufficient funds and was released on \$200 bond. He pleaded guilty to a charge of failing to provide for his minor child and was placed on probation after he had provided the bond on the first charge.

Vander Meer In Form; Reds Win

Southpaw Blanks Chicago Cubs With Four Safeties And Whiffs Dozen Batters

CHICAGO, April 23—Johnny Vander Meer, of "no-hit" fame, apparently was on the comeback trail today. The Cincinnati redleg hurler, showing the best form he has shown since his two consecutive no hits in 1935, shut out the Chicago Cubs with only four hits yesterday as the Redlegs chalked up a 1 to 0 win.

No less than 12 of the Cubs whiffed at empty air in the nine innings. The southpaw was in trouble in each of the first four innings, but he bore down and a total of 12 Bruins were left stranded on the bases.

MARTINS FERRY TO PAY TRIBUTE TO CHAMPIONS

MARTINS FERRY, April 23—While the remainder of the state talks baseball, spring football, track and tennis, Martins Ferry will suspend all business tonight to pay civic tribute to its state basketball champions at a testimonial dinner.

As the feature of the dinner, sponsored by the local American Legion post, Jimmy Hull, former all-America forward at Ohio State University, will present the Miner Trophy to the Riders. The huge traveling trophy, weighing more than 500 pounds, is the official symbol of state cage supremacy in Ohio.

Others who will attend the banquet include H. R. Townsend, Ohio high school athletic commissioner; W. J. "Dutch" Trautwein, coach of the Ohio University Bobcats, Carl Ott, all-Ohio guard at Ohio University, Dutch Haid, well-known radio sportscaster of Zanesville, and Larry Newman, Ohio sports editor of International News Service.

New Low Score Record Indicated in Golf Open

NEW YORK, April 23—The National Open golf championship to be decided at Fort Worth, Tex., June 5-7, may set a record for attendance, probably will be won by a Texan and undoubtedly will produce the lowest winning score in the history of the event.

Jimmy Demaret, the beau brummel of the fairways and one of those native Texans who of late have been cutting such a figure in golf, authored the foregoing views today.

The former Masters champion, attired as usual in haberdashery that made him stand out like a bird of paradise in a flock of sparrows, said the world has never seen the likes of the tournament they are fixing to stage out in the Lone Star State. It is going to be put on and run off with pomp and festivities in keeping with the occasion, which happens to be the first U. S. open ever held before the Mason and Dixon line. Also, it is going to be like a homecoming for such notables as Demaret—if he qualifies—Byron Nelson, Ben Hogan, Ralph Guldahl, Lloyd and Ray Mangrum, Dick Metz, Harry Cooper and several others who hope to be there. They're originally from Texas courses, although they are serving at many scattered clubs now.

As for the scoring, Demaret said: "The Colonial Club course is a fine layout and will help to make a great tournament, but the record 281 set by Guldahl in the 1938 Open is almost certain to be bettered. It will take 280 or less to win."

"The course is going to be stretched out to give it plenty of length, but when the boys begin shooting on those fast, Bermuda-carpeted fairways they will take things apart. The balls sit up for you and doesn't snuggle down. You scarcely ever get a bad lie and you can use long irons and woods to fine advantage."

"I wouldn't be surprised if the scores for the four rounds should be pretty well below 280, and the Texas delegation—raised on that kind of a course—ought to be able to send the champion in. They figure to be hot when they get back home again, not mentioning that from the way Nelson and Hogan and some of the rest have been going they have to be rated at or near the top every time they start. Especially Nelson and Hogan."

Nelson is the current National Professional champion and was the Open champion in 1939, while Hogan is the leading money-winner. Nelson is right from Fort Worth and Hogan from a little place named Dublin.

Here are the entries to date: Toledo Libbey, Scott, Mansfield, Elyria, Lorain, Cleveland, John Marshall, Columbus East, Bexley, Lakewood, Akron Kenmore, Dayton Stivers, Cleveland Shaw, Cleveland West, Akron East, Cincinnati Western Hills, Gibsonburg, Columbus West, Dayton Fairview, Columbus Central, Greenville, Springfield.

Westerville, Columbus South, Fremont Ross, Philo, Pettisville, Mechanicsburg, Alwerton, Harpersburg, South Charleston, New Moorefield, Mariemont, Canal Winchester, North Baltimore, Harris-Elmore, Clyde, Ada, New London, Lake Township of Wood County, Poland, Seminole, Delta, Marietta, Mason, Trenton, Brooksville, Lawrenceville, Enon, Rome, Oswego, Huron, Oak Harbor, Osborn Bath, Lincoln of Gahanna, Terrace Park, Eden Township of Melmore and Groveport.

Three class "A" schools, Dayton Oakwood, Dayton Roosevelt and Toledo Scott have participated in all previous meets while Upper Arlington and Groveport are the only "B" teams in every former classic. All are expected to appear this year.

turning back the Keynon batters with ease.

BALL PRACTICE TO BE SUNDAY

Circleville Merchants To Form Team; Workout To Be At Ashville

Baseball practice for every boy interested in playing with the Circleville Merchants will be conducted in Ashville Community Park Sunday, April 28, at 2 p. m. Walter Gregg will be in charge of the practice.

Players should furnish their own gloves. Bats and balls will be supplied. Games will be played in Circleville, it is hoped at the Ted Lewis Recreation Center, the first game to be scheduled around the first of June.

Backers of the team urge that all youths who would like to play ball appear for the practice.

NEW YORK, April 23—The National Open golf championship to be decided at Fort Worth, Tex., June 5-7, may set a record for attendance, probably will be won by a Texan and undoubtedly will produce the lowest winning score in the history of the event.

NEW CHAMPIONS CERTAIN IN ABC 10-PIN TOURNNEY

ST. PAUL, April 23—A complete new set of champions was assured today for the 1941 American Bowling Congress.

The nose dive of Ray Brown of Terre Haute, Ind., last year's singles champion who checked in with an ordinary 530 in his singles yesterday, and 1,552 for all events, cleared away all of last year's title-holders so far as the current meet is concerned.

The Chicago Monarchs, 1940 team champions; Herb Freitag and Joe Sinke, the doubles winners a year ago, and Fred Fischer of Buffalo, N. Y., last year's all-events winner, all went down earlier at this congress.

Vander Meer In Form; Reds Win

Southpaw Blanks Chicago Cubs With Four Safeties And Whiffs Dozen Batters

CHICAGO, April 23—Johnny Vander Meer, of "no-hit" fame, apparently was on the comeback trail today. The Cincinnati redleg hurler, showing the best form he has shown since his two consecutive no hitters in 1938, shut out the Chicago Cubs with only four hits yesterday as the Redlegs chalked up a 1 to 0 win.

No less than 12 of the Cubs whiffed at empty air in the nine innings. The southpaw was in trouble in each of the first four innings, but he bore down and a total of 12 Bruins were left stranded on the bases.

FELLER TO TAKE HILL AGAINST PESKY BROWNS

CLEVELAND, April 23 — Bob Feller took the mound today for the Cleveland Indians against the St. Louis Browns, and it was up to the Tribe ace to keep the Browns from taking the two-game series after Eldon Auker extended his jinx to six straight wins over Cleveland yesterday.

Feller, seeking his second victory of the season, was scheduled to be opposed by Johnny Niggeling, right-hander.

In beating the Tribe, 6-3 at League Park, Auker merely picked up where he left off a year ago. The Indians never could get to him in five straight games last summer and it was the same yesterday. The veteran submarine ball hurler gave the Tribe eight hits but kept them well scattered.

Rip Radcliff, another Indian nemesis, contributed his share with two solid hits which drove in two runs.

Jeff Heath's homer with none on the second was the Indians' big blow.

HILLSBORO YOUTH STARS FOR DENISON DIAMOND 9

GRANVILLE, April 23 — Frank Collins, Hillsboro Junior, today entered Denison University's Hall of Fame after turning in a no-hit, 6-run performance as the Big Red blanked Kenyon, 16-0.

It was Denison's first start under their new coach, Sid Gillman, and the Big Red hitters pounded out 14 hits while Collins was

turning back the Kenyon batters with ease.

MARTINS FERRY TO PAY TRIBUTE TO CHAMPIONS

MARTINS FERRY, April 23—While the remainder of the state talks baseball, spring football, track and tennis, Martins Ferry will suspend all business tonight to pay civic tribute to its state basketball champions at a testimonial dinner.

As the feature of the dinner, sponsored by the local American Legion post, Jimmy Hull, former all-America forward at Ohio State University, will present the Miner Trophy to the Riders. The huge traveling trophy, weighing more than 500 pounds, is the official symbol of state cage supremacy in Ohio.

Others who will attend the banquet include H. R. Townsend, Ohio high school athletic commissioner; W. J. "Dutch" Trautwein, coach of the Ohio University Bobcats, Carl Ott, all-Ohio guard at Ohio University, Dutch Hald, well-known radio sports caster of Zanesville, and Larry Newman, Ohio sports editor of International News Service.

Big Bill Lee made his first start of the season for the Cubs after ending a holdout siege. He allowed only five hits. In the sixth inning, Lonnie Frey opened with a single, moved to second on Lee's wild throw and advanced to third the same way. Ival Goodman punched out a single to score Frey with the only counter of the game.

Bucky Walters was expected to face the Cubs on the mound for the Redlegs today. P. Erickson was Manager Jimmy Wilson's mound choice for the Cubs.

After the scoring, Demaret said: "The Colonial Club course is a fine layout and will help to make a great tournament, but the record 281 set by Guldahl in the 1938 Open is almost certain to be bettered. It will take 280 or less to win."

"The course is going to be stretched out to give it plenty of length, but when the boys begin shooting on those fast, Bermuda-carpeted fairways they will take things apart. The balls sits up for you and doesn't smudge down. You scarcely ever get a bad lie and you can use long irons and woods to fine advantage."

"I wouldn't be surprised if the scores for the four rounds should be pretty well below 280, and the Texas delegation—raised on that kind of a course—ought to be able to send the champion in. They figure to be hot when they get back home again, not mentioning that from the way Nelson and Hogan and some of the rest have been going they have to be rated at or near the top every time they start. Especially Nelson and Hogan."

Nelson is the current National Professional champion and was the Open champion in 1939, while Hogan is the leading money-winner. Nelson is right from Fort Worth and Hogan from a little place named Dublin.

PURINA'S RIFLE SQUAD DEFEATS SOHIO OUTFIT

Ralston Purina's riflemen outshot the Sohio team Tuesday night in City League competition, winning by ten points.

The scores were:

BALL PRACTICE TO BE SUNDAY

Circleville Merchants To Form Team; Workout To Be At Ashville

Baseball practice for every boy interested in playing with the Circleville Merchants will be conducted in Ashville Community Park Sunday, April 28, at 2 p. m. Walter Gregg will be in charge of the practice.

Players should furnish their own gloves. Bats and balls will be supplied.

Games will be played in Circleville, it is hoped at the Ted Lewis Recreation Center, the first game to be scheduled around the first of June.

Backers of the team urge that all youths who would like to play ball appear for the practice.

NEW CHAMPIONS CERTAIN IN ABC 10-PIN TOURNNEY

ST. PAUL, April 23—A complete new set of champions was assured today for the 1941 American Bowling Congress.

The nose dive of Ray Brown of Terre Haute, Ind., last year's singles champion who checked in with an ordinary 530 in his singles yesterday, and 1,552 for all-events, cleared away all of last year's title-holders so far as the current meet is concerned.

The Chicago Monarchs, 1940 team champions; Herb Freitag and Joe Sinke, the doubles winners a year ago, and Fred Fischer of Buffalo, N. Y., last year's all-events winner, all went down earlier at this congress.

One change was effected among the leaders yesterday, when the East Side Five of Los Angeles crashed into fourth place in the team standings with a count of 3,029.

Although only two weeks remain of the 1941 classic, a number of chances may be expected in the title divisions, for some of the classicst legklers in the land have yet to bowl. "Hot shots" still to appear include Joe Falcato of New York, Andy Varipapa of Brooklyn, Adolph Carlson of Chicago, and Joe Norris of Detroit.

The standings: Five man event: Vogel Bros, Forest Park.

Ill. 3065
 Rheingold Beer, Chicago 3054
 Chapin and Gore, Chicago 3033

Two-man event:
 William Lee-Ray Farness, Madison, Wis. 1546
 Harry Ledene Jr.-William Flesch, Chicago 1338
 Carl Dech-Roy Thompson, Minneapolis 1321
 Singles:
 Ed Mady, Minneapolis 740
 Tony Sparando, Maspeth, L. I. 738
 Martin Carlson, Rockford, Ill. 730

All-events:
 Harold Kelly, South Bend, Ind. 2013
 Eddie Koepf, Cleveland 1972
 Nelson Burton, St. Louis 1965

BABE RUTH TO ACCEPT GOLF MATCH WITH COBB

NEW YORK, April 23—Babe Ruth has accepted a challenge from Ty Cobb for a golf match and stipulates only that the encounter take place on a course in this vicinity not sooner than six weeks hence, Freddy Corcoran, tournament manager for the P. G. A., announced today.

Corcoran is attempting to bring the two former baseball stars together for the British War Relief Fund, and now is awaiting word from Cobb as to whether he will be able to come East from his home near Los Angeles to meet the Babe.

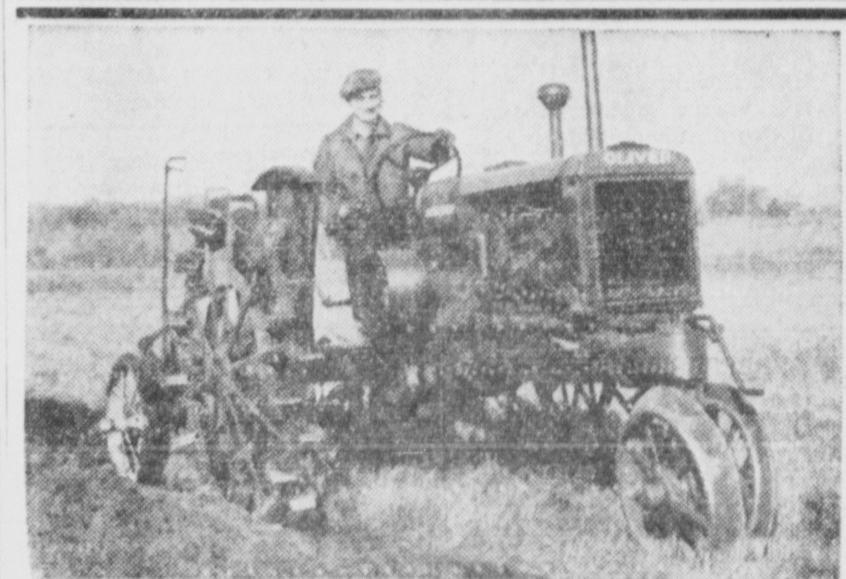

Original plans called for three matches, one here and the others at Boston and Detroit, but Ruth has declined to play outside New York, Corcoran said.

HOME RUNS
 Dickey, Henrich, Keller, Yankees; Kuhel, White Sox; York, Detroit; Heath, Indians; Camilli, Dodgers; Litwhiler, Phillies.

A BRUTE ON TIP TOE

That Makes Row Crop Farming Easy

Put yourself at the wheel of an Oliver "80" Row Crop tractor and you've made "row cropping" easy on your farm. This big, handsome, lively brute will snake 3 1/4-inch plows through stubborn soil at a speed that gets your plowing done fast when it's best to plow. You can get your "80" with a modern engine, especially designed for the fuel you want to use. The "80" HC has a high-compression engine for "regular" gasoline; the "80" KD uses kerosene or "tractor fuel." Both engines develop equal power.

Centrally mounted planting and cultivating tools, right in front of the driver's eyes, make planting and cultivating an easy job soon finished. Your Oliver "80" takes on your harvesting jobs without a halt, never eating its head off between tasks, never needing to be toughened up when put to work or getting tired no matter how often or how hard you work it. See the answer to your ideal of big power for bigger farming at our showroom right away.

40 LADS REPORT FOR AMERICAN LEGION'S TEAM

Forty boys who had signed for the American Legion's baseball team met at the Utility Field Tuesday night for their first practice. Byron Eby, manager of the team, said the boys' first workout was highly successful, although the team needs more balls for practice sessions.

Practices will be held every Monday, Wednesday and Friday nights at 5:30. Any boy between 12 and 17 years old, who wishes to try out for the team, may make application at the Daily Herald office.

Five years ago, 18-year-old Jean White of Richmond Hill, N. Y., got out of bed where she was confined as an infantile paralysis victim, and started roller skating. Today she is champion figure skater of New York state.

HEROES AND GOATS
 HEROES: Bill Dietrich, White Sox, held Tigers to two hits. Johnny Vander Meer, Reds, pitched a four hit shutout against Cubs. Lester McCrabb, Athletics rookie, beat Yanks and held Joe DiMaggio hitless in debut.
 GOATS: Spurgeon Chandler, Yanks, blew five run lead against Mackmen. Buck Newsom, Tigers, shelled to cover by White Sox.

ROOKIE HALTS HURLER AND DiMAGGIO

By Pat Robinson

NEW YORK, April 23 — Until yesterday we knew very little about Lester William McCrabb except that he was 26 years old, slender right handed, came from Christiansa, Pa. (See larger maps) and had pitched with indifferent success for Toronto last year.

We might have known more about the young man if old Connie Mack, made desperate by five straight lickings for his Athletics, hadn't chosen to unveil him against the Yanks.

Today we know a little more about McCrabb. We know he can make the Yanks moan as he did yesterday by trimming them, 6 to 5; we know he has the poise of an ambassador and the control of a Grover Alexander. We also know that he is the first pitcher to handuff Joe DiMaggio this year and that in itself entitles him to a world of respect from the cognescenti.

After hitting furiously in 27 straight games this spring, Joe finally found his master in the young man off whose tantalizing deliveries the pride of the Yanks couldn't get more than a loud foul.

McCrabb — and somehow that has the proper tang for a baseball name—held the Yanks to six hits, three of which were homers by Dickey, Henrich and Keller good for a five-run Yankee lead. However, this didn't seem to bother him at all and after the A's tied it up for him against Chandler, he continued unperturbed until his mates beat Murphy in the ninth.

HEROES AND GOATS
 HEROES: Bill Dietrich, White Sox, held Tigers to two hits. Johnny Vander Meer, Reds, pitched a four hit shutout against Cubs. Lester McCrabb, Athletics rookie, beat Yanks and held Joe DiMaggio hitless in debut.
 GOATS: Spurgeon Chandler, Yanks, blew five run lead against Mackmen. Buck Newsom, Tigers, shelled to cover by White Sox.

SALE OF REAL ESTATE
The undersigned County Commissioners of Pickaway County, Ohio, having adopted a Resolution pursuant to Section 2417, General Code of Ohio Laws, that in their opinion the within described real estate is not needed for public use and that it will be for the best interests of the county to dispose of the same, we will offer for sale at the door of the Pickaway County Court House in Circleville, Ohio, on Monday, May 12th, 1941, at 2 o'clock p. m., the following real estate situated in the City of Circleville, Ohio, and bounded and described as follows, to wit: Being 100 ft. East end of Lot No. 864, size 51 feet 6 1/2 inches x 100 feet, located on East Ohio Street in the City of Circleville; also including buildings thereon, known as the old county garage building.

Said real estate will be sold to the highest responsible bidder for cash. The County Commissioners, however, reserve the right to reject any or all bids and to re-advertise a sale of said real estate if deemed for the best interests of the county.
J. B. KELLER
WAYNE A. HOOVER
C. E. WRIGHT
County Commissioners of Pickaway County, Ohio.
(April 16, 23, 30; May 7)

LEGAL NOTICE
Sealed bids will be received by the Director of Public Safety of the City of Circleville, State of Ohio at the office of said Director until 12:00 noon on May 10th, 1941 for the performance of laundry work at Berger Municipal Hospital for a period of one year from June 1st, 1941 to May 31st, 1942.

Each bid must contain the full name of every person or company interested in the same, and be accompanied by a bond in the sum of \$25 to the satisfaction of the Director or a certified check on some solvent bank as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected such check shall be returned to the bidder. The right is reserved to reject any and all bids.

Washington Merry-Go-Round

(Continued from Page Four)

he can't afford to go home on leave, and if you say, 'No, you cannot afford marry a foreigner,' what is he going to do?"

Mrs. Rogers spoke again: "He is probably lonely over there, too."

"You bet he is lonely," said the official.

The bill was favorably reported and is now law.

NAZI RACKET

As if being driven from their homes isn't enough, refugees from the occupied countries run into another misfortune in Lisbon, Portugal, last open port in Western Europe.

The U. S. Secret Service has learned of a giant counterfeit ring in Lisbon, believed to be operated by Nazis, which has been ruthlessly praying on refugees waiting for passage on the few ships and planes leaving for America.

Large sums of phoney American money and "raised" notes have been exchanged for francs and other European currency at a so-called "Black Bourse," where refugees are led to believe they will get a higher exchange rate, in dollars, than at banks.

The Secret Service was informed of the racket by Portuguese officials, who believe the bogus money is being printed either in Germany or Czechoslovakia. Thousands of refugees have been fleeced by the counterfeiters.

A French refugee who arrived in Boston recently with his family was heartbroken to learn from a bank that his entire savings, \$5,500, had been exchanged on the "Black Bourse" for American \$2 bills which had been skillfully raised to "50's."

TWO-DOLLAR MEN

The investigation of dollar-a-year men launched by Missouri's Senator Harry Truman has considerable undercover support in the OPM, particularly among younger officials who, in some cases, do the work for which their big-name superiors get the credit.

The youngsters jest about this among themselves, and the other days several wits wrote a mock "news story" that is getting a big laugh when handed around. It reads:

"A bottleneck in the production of dollar-a-year men, seriously endangering the progress of national defense, will entail the imposition of rigid priorities in the near future, it was learned authoritatively today.

"High OPM officials explained that the shortage developed as a result of competitive bidding for dollar-a-year men between the OPM production division and the American Battle Monuments Commission. As a result, they said, the existing stockpile has been depleted. They forecast as an immediate possibility the recruitment of \$2-a-year men, the supply of which is virtually inexhaustible.

"A hitch in this solution to the problem, however, may develop because of the activities of the Defense Commission Price Stabilization Division, whose director, Leon Henderson, is known to fear a price spiral if this plan is adopted. "Taking quick steps to meet the emergency, Jesse H. Jones, Federal Loan Administrator, announced that he was considering a \$12,000,000 loan to American industry to enable production of several thousand gross of dollar-a-year men.

"Immediate delivery, he warned, cannot be expected, inasmuch as the plan contemplates production of the executives through a training-from-within apprenticeship program. Embryo dollar-a-year men will begin as first vice presidents in hundreds of American industries, he explained, earning \$25,000 annually to start with, and working down over the course of a few months to the \$1 salary. Once they have achieved this status, industry spokesmen said, they will be released to the Government."

Note—One top OPM official will have no part of the \$1-a-year men. He is General Counsel John Lord O'Brien, who has barred them from his staff. All lawyers in his vision can have no private business connections and must work on a full-time government pay basis.

MERRY-GO-ROUND

Insiders say that the appointment of Lt. Colonel Frank T. McSherry as boss of all government programs for training defense workers means the elimination of John Studebaker, chief of the U. S. Office of Education, who was out to make himself the Mr. Big of this activity. Studebaker has long been far from popular in White House circles. . . In Mrs.

Charles W. Weis, Jr., president of the National Federation of Women's Republican Clubs, the GOP has a strong claimant for the most beautiful woman in high political ranks. . . Commander H. R. Thurber, Navy press chief, has received a novel suggestion from a landlubber regarding patrol bombers. Instead of designating them by initials and numbers as at present, the plan suggested each ship be named after historic battleships, such as the "Kearsage" and "Olympia".

A total of 80 head (30 bulls and 50 females) will be featured in the two-day show and sale. Every animal has been personally selected by the Association fieldman or by members of the sale committee, made up of four of the breed's most successful breeders and showmen.

The 80 head will represent some 40 topnotch herds from eight states—Illinois, Indiana, Iowa, Minnesota, Missouri, Ohio, South Dakota and Nebraska.

The first day will be devoted to the show, with the sale coming the following day. Judge of the show will be H. F. Brannan of Elm Grove Farm, Belvidere, Tenn. In addition to the \$500 classification set up by the Polled Shorthorn Society, the consignors will compete for several suitably engraved trophies made possible through the cooperation of the Des Moines Chamber of Commerce and Mr. and Mrs. Charles J. Lynn, owners of Lynnwood Farm, Carmel, Ind.

In connection with the show there will also be a judging contest in which everyone attending will be invited to take part. It is planned to set up a small entry fee for this contest, the "take" being pro-rated among the winners.

On the evening of the 20th, a banquet will be held, with Dean H. H. Kildee of Iowa State College as the principal speaker. It will be open to anyone interested in improved livestock.

After asparagus seed has sprouted, cultivating should start early to keep down the weeds from the very beginning. Frequently a few radish seeds are mixed with the asparagus seed before sowing. The radish seeds sprout early and mark the row plainly, thus cultivation can begin at an even earlier date.

SHORTHORNS TO BE EXHIBITED

First National Congress Scheduled May 20, 21 In Des Moines

CHICAGO, Ill., April 23—Plans are nearing completion for the first National Polled Shorthorn Congress ever held. The event, largest of its kind, ever staged by the Polled Shorthorn breed, will be held at the State fairgrounds, Des Moines, Iowa, on May 20 and 21.

A total of 80 head (30 bulls and 50 females) will be featured in the two-day show and sale. Every animal has been personally selected by the Association fieldman or by members of the sale committee, made up of four of the breed's most successful breeders and showmen.

The 80 head will represent some 40 topnotch herds from eight states—Illinois, Indiana, Iowa, Minnesota, Missouri, Ohio, South Dakota and Nebraska.

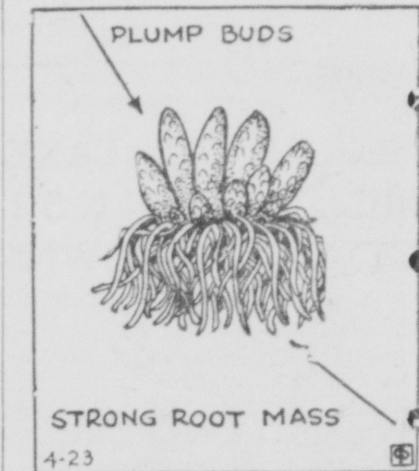

The first day will be devoted to the show, with the sale coming the following day. Judge of the show will be H. F. Brannan of Elm Grove Farm, Belvidere, Tenn. In addition to the \$500 classification set up by the Polled Shorthorn Society, the consignors will compete for several suitably engraved trophies made possible through the cooperation of the Des Moines Chamber of Commerce and Mr. and Mrs. Charles J. Lynn, owners of Lynnwood Farm, Carmel, Ind.

In connection with the show there will also be a judging contest in which everyone attending will be invited to take part. It is planned to set up a small entry fee for this contest, the "take" being pro-rated among the winners.

On the evening of the 20th, a banquet will be held, with Dean H. H. Kildee of Iowa State College as the principal speaker. It will be open to anyone interested in improved livestock.

Today's Garden-Graph

After asparagus seed has sprouted, cultivating should start early to keep down the weeds from the very beginning. Frequently a few radish seeds are mixed with the asparagus seed before sowing. The radish seeds sprout early and mark the row plainly, thus cultivation can begin at an even earlier date.

4-23

Selecting Asparagus Plants

As illustrated in the Garden-Graph, only the strong roots should be selected for planting out in trenches. The best type of root has a number of large buds rather loosely distributed over the crown. Crowns having long, spindling roots or a large number of small, pointed buds should be discarded as they usually produce small spears.

On light soils a thin mulch of straw manure or other litter is advisable over winter.

CAT'S MANY LIVES ACTIVE

SARATOGA SPRINGS, N. Y.—This is a story of the nine lives of Nip—a white kitten at the home of Mr. and Mrs. F. Andrew Hall. When Mr. Hall, former city judge, prepared his coal fire for the night a few nights ago, he shut the ash pit door. The next morning Andrew Hall, his son, couldn't find Nip. He hunted all over. Then Mrs. Hall suggested opening the ash pit door. He did. Out staggered Nip, slightly balm from eight hours in the pit.

E. Hill, Darby Township; W. F. Alkire, Jackson Township and Joe Downs, Jackson Township.

Too many rabbits are being killed on Pickaway County highways. Conservation officials maintain that if a driver will blow his horn, rabbits usually will leave the highway. The Jackson Township high school conservation club is planning to put signs near the Stum and Dillard Company warning motorists to drive carefully, since rabbits are plentiful in that area and cross the road frequently.

Boy Scouts of Circleville and Pickaway County, together with their parents and friends, will meet in Memorial Hall Thursday evening to see motion pictures of conservation work.

Lawrence Liston, Pickaway Township, and Dwight Steele, Circleville, each have set apart a small tract of land to be used for the benefit of wildlife. Trees will be planted on the areas, cover planting made and a food patch planted. Mr. Steele's farm is located in Walnut Township.

This is a good time of year to shoot crows, since they are nesting. Take a pair of crows' feet to conservation officers and you'll receive a shotgun shell. The most important thing, however, is to get rid of the crows.

A number of unused gravel pits throughout the county are being sown to sweet clover seed to provide additional cover on unused land.

Ten units of trees will be planted in Pickaway County for cover development this year. A unit consists of 125 pines, with 42 food and cover trees planted around them. Those who will plant units are: Atlanta high school conservation club; A. R. Dunkle, Walnut Township; Wilson Dunkle, Washington Township; Lawrence Liston, Pickaway Township; Frank Rodocker, Salter Creek Township and Dwight Steele, Walnut Township.

As illustrated in the Garden Graph, only the strong root should be selected for planting out in trenches. The best type of root has a number of large buds rather loosely distributed over the crown. Crowns having long, spindling roots or a large number of small, pointed buds should be discarded as they usually produce small spears.

On light soils a thin mulch of straw manure or other litter is advisable over winter.

CAT'S MANY LIVES ACTIVE

SARATOGA SPRINGS, N. Y.—This is a story of the nine lives of Nip—a white kitten at the home of Mr. and Mrs. F. Andrew Hall, When Mr. Hall, former city judge, prepared his coal fire for the night a few nights ago, he shut the ash pit door. The next morning Andrew Hall, his son, couldn't find Nip. He hunted all over. Then Mrs. Hall suggested opening the ash pit door. He did. Out staggered Nip, slightly balmy from eight hours in the pit.

Today's Garden-Graph

After asparagus seed has sprouted, cultivating should start early to keep down the weeds from the very beginning. Frequently a few radish seeds are mixed with the asparagus seed before sowing. The radish seeds sprout early and mark the row plainly, thus cultivation can begin at an even earlier date.

SELECTING ASPARAGUS PLANTS

As illustrated in the Garden Graph, only the strong root should be selected for planting out in trenches. The best type of root has a number of large buds rather loosely distributed over the crown. Crowns having long, spindling roots or a large number of small, pointed buds should be discarded as they usually produce small spears.

On light soils a thin mulch of straw manure or other litter is advisable over winter.

AVIATION FIRM OFFICIAL DISCUSSES AIR MAIL PICK-UP PLAN

CITY WOULD BE PLACED ON NEW CENTRAL ROUTE

64 Additional Cities To Be Added If Federal Office Approves

APPLICATION ON FILE

Location For Apparatus Must Be Provided By Municipality

Willingness of All-American Aviation, Inc., to include Circleville in an air mail pick-up route was expressed Tuesday afternoon when Don Seevers, of Wilmington, Del., representing the aviation company, came to the city to look over possible locations for installation of mail pick-up equipment.

Mr. Seevers called on Postmaster Hulse Hays and on other Circleville persons from whom he obtained information concerning the need for additional mail service and was given certain details concerning the city's population, business, industry, etc.

The company's representative assured all with whom he conferred that All-American aviation would like to have Circleville on its pick-up route. "The city must show," Seevers said, "that it is interested in having the service. A location must be provided for the pick-up apparatus which will be put up just before flight time and taken down immediately after the mail plane has passed through the city."

He said that a local person would be employed to handle the pick-up equipment.

The company has already applied to the Civil Aeronautics Board for authority to extend its service to 64 additional cities in New York, Ohio and Pennsylvania. All-American's present system serves 108 cities in Pennsylvania, West Virginia, Ohio, Kentucky, Delaware and New York. The amendment for which the company has applied would add 1,196 miles to its routes and provide direct air service for an additional million and a half people.

The mail is picked up and delivered at a speed of 110 miles an hour. Chief advantage of the system would be speed of delivering air mail.

BRICKER PAYS FINE AND COSTS ON TRAFFIC COUNT

John Stage Jr., Darby Township constable, reported Wednesday that Governor John W. Bricker had paid a fine of \$2 and costs of \$17.65 assessed against William Russell Henry, Columbus autoist, for reckless operation of a motor vehicle in Darby Township on the CCC highway Sunday, April 6.

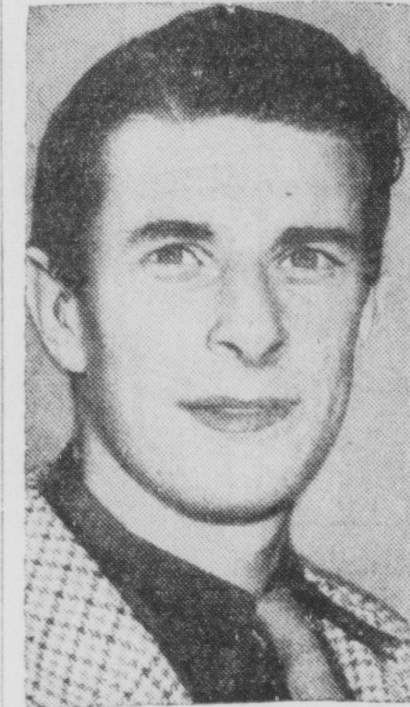

Stage said that he had cited Henry for speeding and crossing restricted passing lines and that the driver had pleaded guilty in Justice of Peace Charles Kain's court at Darby. The fine was \$2 and the costs \$10.25. Henry, Stage said, was given 10 days to pay the fine and costs, and when he failed to pay a writ of execution was granted by the court. Stage went to Columbus to serve the writ on Henry, whom he said is the husband of Governor Bricker's private secretary, and was directed to the governor's office.

The costs by this time had reached \$17.65. Bricker gave Stage a \$20 bill and told him to keep the change, but the constable said that he returned the 35 cents due the governor by way of a money order after he reached his home.

Three Camps Set Up For Recreation Of Soldiers

COLUMBUS, April 23—Ohio boys now serving with the 37th Division and other Army units at Camp Shelby, Miss., will soon enjoy the facilities of three recreational camps to be built in that area, according to Maj. Gen. C. A. Trott, Commanding General, Fifth Corps Area. Seven such camps are now under construction in the Gulf Coast region and will be available for a week end of relaxation by soldiers on leave from nearby camps. Those in the vicinity of Camp Shelby are located at Pascagoula, Biloxi and Gulfport, Miss.

To Fight Again

A Belgian nobleman, Count Elie de Borchgrave is pictured as he arrived in New York on the liner Argentina en route to Canada, where he will join a Belgian army unit. The count escaped to Lisbon after the Battle of France and made his way from there to South America.

PRESBYTER I A N S NAME L. D. MAY FOR NEXT YEAR

Leslie D. May was elected president of the Presbyterian Men's Club at the April meeting of the organization, held Tuesday night in the First Presbyterian Church. Mr. May replaces Donald Walker as president. Lemuel Weldon was reelected secretary-treasurer of the club.

Principal speaker at the meeting was Dr. Charles E. Martz, editor of "Our Times" who spoke on "What Can Church Men Do to Undergird Democracy?" Dr. Martz pointed to the relationship of democracy and Christianity and called for a teaching of fundamental democratic principles in the home in order that democracy might be preserved. The committee in charge of the meeting was George McDowell, Aaron Lumpe and Theodore Steele.

Next meeting will be held in July with Marvin Steeley, Robert Colville and James Sampson in charge.

PICKAWAY SENIOR CLASS PLAY TO BE GIVEN MAY 2

The members of the senior class of the Pickaway Township High School will present their play, "Mamma's Baby Boy", in the school auditorium on Friday evening, May 2, at 8:15.

The members of the graduating class are Marie Adams, John Anderson, Roselyn Dreisbach, Junior French, Herschel Hinton, Ruth Immelt, Neil Leist, Evelyn Pierce, Sara Smith, Mildred Ward and Alice Wilson.

SEN. BURTON TO SPEAK

COLUMBUS, April 23 — U. S. Sen. Harold K. Burton, Cleveland Republican, will speak at the annual spring meeting of the Ohio High School Principals' Association in Columbus Friday and Saturday.

FARM LEADERS AT CONFERENCE

Representatives Learn Data On 1942 Program; Four Suggestions Listed

Representatives of Pickaway County farmers and AAA officials were in Columbus, Wednesday, discussing changes in the 1942 federal farm program which gets under way July 1.

Those from the county who were at the meeting were John G. Boggs, chairman of the county AAA committee; Wilbur Brinker, Walnut Township, member of the county committee; W. A. Downing, Wayne Township, community committeeman representative, and Howard Miller, Muhlenberg Township, farmer representative.

Local representatives carried to the state meeting recommendations for: 1. increase in AAA allotments for small farms; 2. classification of single-cross hybrid corn as "general acreage"; 3. permission for farmers to use general acreage for Indian corn for silo; 4. reduction in the size of the AAA district to include only Ohio, Indiana and Michigan. The district now includes eight states of the middle west.

Ohio AAA Director Elmer F. Kruse has reported that dozens of changes will be considered. Recommendations approved at the meeting will be forwarded to

Washington for possible incorporation in the coming program. Among the possible proposals, according to Kruse, are full parity for major crops; extension of crop insurance to corn crops; 90 percent coverage on crop insurance instead of the present 50 to 75 percent, and a change in the marketing quota referendum balloting to require only a 51 percent majority instead of the present two-thirds.

City officials in each area plan to have concessionaires to provide food at a low cost to the soldiers. Low cost transportation to and from troop concentrations and in and around the cities where recreational areas are located also has been assured. The Army will provide tents, bedding and cots for the soldiers in the area.

THREE MICHIGAN BOYS HALTED IN RUN AWAY

Three fifteen-year-old boys from Ferndale, Michigan, who told police officers they had run away from school, were being held at police headquarters Wednesday while the state highway patrol and the Michigan State police were negotiating to have the boys returned.

The boys were picked up at 3:15 a. m. Wednesday on South Court Street at the edge of the city as they were attempting to "thumb" a ride to Kentucky. Among their baggage was a .22 calibre rifle which was taken apart and wrapped in a blanket. The boys gave their names as Clayton Alexander, Ray Laffey and Robert Evans.

GRADING, OTHER WORK UNDER WAY AT CITY'S PARK

NYA employees Wednesday began grading and construction work on the Ted Lewis Recreation Center and with the aid of a state highway truck were moving dirt and leveling the ground.

A softball diamond is being constructed in the northwest corner of the grounds, and with 40 boys working on the project, Charles Bosworth, supervisor of the work, believes ball players may be using the field by the first of May.

Members of the Park Commission were scheduled to meet with an engineer from the state highway department Monday evening to map out a tentative lay-out of the grounds, but the engineer did not appear and the Commission decided to begin work anyway. Commission's plans call for a 16 foot roadway around the outside of the softball diamond, with parking space on either side of the drive.

Washington for possible incorporation in the coming program.

Among the possible proposals, according to Kruse, are full parity for major crops; extension of crop insurance to corn crops; 90 percent coverage on crop insurance instead of the present 50 to 75 percent, and a change in the marketing quota referendum balloting to require only a 51 percent majority instead of the present two-thirds.

YOUTH KILLED AND TWO HURT IN NEWARK CRASH

NEWARK, April 23 — Joseph Schmidt, 23, was killed and two other persons critically injured when their automobile crashed into a concrete culvert south of Newark. The injured were Miss Marjorie Boring, 19, who suffered a skull fracture, and Miss Geraldine Ryan, 31, multiple cuts.

ARMY SOON WILL HAVE 20,000 IN ALASKAN REGION

WASHINGTON, April 23—The Army will shortly have 20,000 troops concentrated in Alaska, Gen. George C. Marshall, army chief of staff, told congress today.

Testifying before the special senate defense investigating committee, Marshall said 8,000 men are now stationed at the northern outpost, compared with only 300 when the European war broke out.

The garrison is soon to be boosted to the larger number, he declared.

COLUMBUS TRUCK DRIVER KILLED AT WILMINGTON

WILMINGTON, April 23 — Leo Napolitano, 26 Columbus, was dead and another man in serious condition today as the result of a truck collision near Sabina, east of Wilmington.

The injured man was Joe Tarnelle, 38, also of Columbus. Hospital attaches said he suffered a skull fracture, internal injuries and multiple fractures.

Napolitano and Tarnelle, partners in a fruit trucking firm, were enroute to Cincinnati. The driver

of the other truck, Robert E. Lentz, of Lancaster, Pa., was not injured.

FIND HUGE METEORITE

WASHINGTON.—A huge meteorite, weighing nearly a ton, has been found in a Georgian cotton field, the Smithsonian Institution has announced. The great chunk of iron, the core of some planet, is probably 15,000,000 years old, officials said. The area in which it fell was no doubt covered by shallow water at the time, permitting it to sink to the bottom and to be gradually covered by sediments.

WASHINGTON, April 23—The Army will shortly have 20,000 troops concentrated in Alaska, Gen. George C. Marshall, army chief of staff, told congress today.

Testifying before the special senate defense investigating committee, Marshall said 8,000 men are now stationed at the northern outpost, compared with only 300 when the European war broke out.

The garrison is soon to be boosted to the larger number, he declared.

COLUMBUS TRUCK DRIVER KILLED AT WILMINGTON

WILMINGTON, April 23 — Leo Napolitano, 26 Columbus, was dead and another man in serious condition today as the result of a truck collision near Sabina, east of Wilmington.

The injured man was Joe Tarnelle, 38, also of Columbus. Hospital attaches said he suffered a skull fracture, internal injuries and multiple fractures.

Napolitano and Tarnelle, partners in a fruit trucking firm, were enroute to Cincinnati. The driver of the other truck, Robert E. Lentz, of Lancaster, Pa., was not injured.

FIND HUGE METEORITE

WASHINGTON.—A huge meteorite, weighing nearly a ton, has been found in a Georgian cotton field, the Smithsonian Institution has announced. The great chunk of iron, the core of some planet, is probably 15,000,000 years old, officials said. The area in which it fell was no doubt covered by shallow water at the time, permitting it to sink to the bottom and to be gradually covered by sediments.

20 REASONS WHY

This Typical Family Shops at

ROTHMAN'S

Just as their parents and grand-parents have during the 50 years Rothman's have been in Circleville.

Because Rothman's save you on all your purchases thru their low overhead expense, giving you REPUTABLE merchandise of FINER quality for LESS. . . . Here are some of the well known and TRIED brands carried in our store.
